University College Students

All seniors graduating in August or December 2009 must have an advising appointment by February 26th in order to complete your preliminary graduation checkout.

Your preliminary graduation check is to ensure that you are ready to file for graduation and is an important part of the process of filing for graduation.

Students with the following majors in the Family Consumer Studies Unit must see their faculty advisor for their graduation check out: Family Consumer Studies, Home Furnishings Merchandising, and Fashion Merchandising. Students in all other majors will see their regularly assigned University College Advisor.

Students who are writing a degree through either the Interdisciplinary Studies or Individual Studies majors must have an approved Baccalaureate Contract before they can schedule a preliminary graduation check out appointment. If you are following a guideline program such as Organizational Leadership or Paralegal Services you do not have to write a contract.
