

Intramural Golf Two Person Scramble Rules

Both players (in any order) drive their ball off the tee. The best of the two balls is then chosen. The place where this ball is located is marked (usually by a tee). Each player must then hit their second shot from this location (the ball must be placed within 6 inches of the marker). This process is continued to the green.

Once on the green, this same process is followed with these exceptions: 1) each ball should be placed and putted from a spot as close to the "marker" as possible and 2) the first ball in the hole is the ball that is counted (do not "tap in" until all balls have been putted and mark all putted balls).

If the ball that is chosen is in a sand bunker, the balls must be dropped and not placed.

Score Cards-in an attempt to keep the game fair, score cards will be swapped and your score will be kept by your opponent.

Tee Times-please show up at least 15 minutes prior to your scheduled tee time in order to allow enough time to register and tee off on time.
