WORK EXPERIENCE

Community Health Educator, June 2019 - Present

Hattiesburg Health and Wellness Center Hattiesburg, MS

- Host “Weekly Wellness” classes open to the public, with a new topic featured every week. Prepare lesson plans and discussion points related to each weekly lesson.
- Host extended workshops on critical topics, such as long-term family care, child development, and nutrition. Designed short-term goals for the end of every session, and long-term goals for the end of every workshop.
- Conduct classroom visits to elementary, middle, and high school classes. Work with teachers in advance to ensure lessons are appropriate for students' age and skill level.
- Create marketing materials promoting relevant health topics and the Health and Wellness Center as a whole.
- Address personal questions from students after classes in a confidential and professional manner.
- Connect with schools and local organizations regarding opportunities to host health classes.

Health Education Intern, January 2018 – May 2019

University of Southern Mississippi Student Health Center Hattiesburg, MS

- Presented weekly seminars on health topics relevant to college-age adults. Popular topics included basic hygiene, cold/flu prevention, and sexual health.
- Held open “office hours” to interact one-on-one with any students with general health questions. Provided referrals to campus physicians as needed.
- Staged health information booths at campus sporting events, club fairs, and in the student union to increase visibility of student health services.

VOLUNTEER EXPERIENCE

USM Relay for Life, September 2019 – April 2020

Relay event held annually in March to benefit the American Cancer Society. Event raised \$50,000 in donations in 2020.

Organizer

- Promoted Relay for Life events and fundraisers to campus through informational booth, flyers, and emails.
- Hosted series of informational meetings for teams in the weeks leading up to the relay.
