

Career Coaching Guide

adapted from Thomas J. Denham

1. Encourage your student to visit Career Services.
2. Challenge your student to become "occupationally literate".
3. Teach your student the value of networking.
4. Emphasize the importance of internships and experience.
5. Encourage co-curricular involvement.
6. Advise your student to develop a resume.
7. Guide but don't steer.
8. Help us help you!
