TEACHING AND EXPLORING CHAMPIONSHIP HABITS

*For students ages 12-18 residing in Shelby County, TN*

## **PREPARATION FOR DISTANCE LEARNING DURING A GLOBAL CRISIS**

Because we know how important it is for your child to succeed academically during the pandemic, we provide age appropriate skills development that will not only prepare them to transition into the new school year successfully, we also help them to champion through these challenging times.

### **Preparation Plan**

We prepare your child to engage in the new social learning environment by assessing the mental awareness.

### **Creative Ideas**

We help your child to explore their creative skills by using their imagination in hands on activities.

### **Unlock Success**

We provide leadership skills training to help youth unlock their potential to be successful in ways that he/she imagines.

**We provide Special Incentives for participation.**

**And essential materials needed to participate in the camp. Not Devices.**
