Applicant's Name:

U Number (if known): U

Recommender's Name:

Title:

**Part II**

**Recommender:**

The applicant has given your name as a reference in support of his/her application for admission to the graduate program of Educational Psychology and Research at the University of Memphis. The admission committee would appreciate your candid evaluation *in writing* of the applicant's academic and professional skills, including writings skills. Your comments on the applicant's experience and potential in conducting research will also be appreciated.

When completed, please submit both this completed form and a letter of recommendation in the online portal through which you were contacted.
