For admission to (enter a year):

Fall                      Spring

**Part I**

Applicant's Name:

U Number (if known): U

Recommender's Name:

Title:

**Part II**

**Recommender:**

The applicant has given your name as a reference in support of his/her application for admission to the PhD program of Educational Psychology and Research at the University of Memphis. The admission committee would appreciate your candid evaluation *in writing* of the applicant's research work and research potential, academic and professional skills, including writings skills. Your comments on the applicant's research experiences and inclinations will be essential for the consideration of the applicant.

When completed, please submit both this completed form and a letter of recommendation in the online portal through which you were contacted.
