Work Experience

Academic:

University of Memphis, Assistant Professor August 2018 – Present

Duties include teaching graduate classes in the Department of Counseling, Educational Psychology and Research, providing advising to clinical mental health counseling master's degree students, as well as other service responsibilities. In addition, conduct and supervise research projects.

Auburn University, Graduate Assistant and Career Coach July 2015 – August 2018
Auburn, AL

Responsible for providing career coaching to undergraduate students in the Harbert College of Business, this includes administering and interpreting the Strong Interest Inventory and Myers Briggs Type Indicator assessments. Also responsible for teaching BUSI 1010 every semester. Worked with other staff to develop and put on workshops and career events for students.

Auburn University, Graduate Teaching Assistant
Auburn, AL

August 2014 – May 2015

Taught undergraduate course in Counseling and Human services for the department of Special Education, Rehabilitation, and Counseling. Provide general assistance to other faculty members within the department.

Clinical:

Lakeside Behavioral Healthcare, Outpatient Therapist
Memphis, TN

October 2009 – June 2014

Provided mental health and addiction group therapy as part of a Partial Hospitalization and Intensive Outpatient program. Created documentation for these sessions. Responsible for family and referral contacts, developing treatment plans and aftercare recommendations. Previously responsible for running aftercare groups for mental health, addiction, and running a young adults group.

Advanced Horizons, PRN Therapist
Memphis, TN

July 2009 - September 2009

Provided group therapy for clients with acute and chronic mental illness and produced documentation for these sessions. Performed intakes and assessed appropriateness for treatment program.

La Paloma Treatment Center, Residential Therapist
Memphis, TN

June 2008 - May 2009

Conducted individual and group therapy for dual diagnosis clients and created documentation for these sessions. Responsible for family sessions and referral contacts. Created group programming on topics such as letting go of shame. Responsible for developing treatment plans and aftercare recommendations.
