We are extremely pleased with our students' stellar performance on their licensure board exams. Our student pass rate was 100% on the first attempt for the licensure board exams, and their test results consistently fall in the upper third percentile nationally.

The counseling department offers a supportive and friendly environment in which to learn. Class sizes are capped at 20 students or fewer for traditional class settings and 12 or fewer students for clinical classes such as Foundations and Clinical Techniques courses. Practicum and Internship classes follow CACREP standards and do not exceed 6 students per Practicum group and 12 students per Internship group. The department has an active CSI program (Chi Sigma Iota – counseling honors), STEPS program (Suicide, Training, Education, and Prevention Services), and numerous research teams providing multiple opportunities for research activities.

The University of Memphis is located in Tennessee's largest city on the banks of the mighty Mississippi River. Memphis is the home of the Blues, B.B. King, Elvis Presley, Al Green and numerous other famous recording artists. Memphis is the largest distribution center in the world, and enjoys the richness of a multicultural community offering diverse art, cuisine, and cultural activities.
