

WELCOME 2022 CSforALL SUMMIT VOLUNTEERS

With your help, we can do more!

CSforALL and CodeCrew are excited for your interest in becoming a 2022 CSforALL Summit volunteer. The CSforALL Summit is coming to Memphis, Tennessee on October 19 - 21, 2022, held at The Guest House at Graceland. The Summit brings together the computer science education community to share, learn and celebrate the #CSforALL movement. The three-day convening will include high-level conversations with national thought leaders highlighting strategies for equity, removing barriers to access, and building meaningful engagement for all students.

Volunteer individuals will have the opportunity to develop skills, learn from CS and STEM organizations, make professional contacts, socialize and have an impact in the Computer Science community.

With your talents, energy and time, we can do more for the Computer Science community! CSforALL Summit Volunteers are asked to be available the week of October 17, 2022 throughout different times during each of the days. Volunteer activities, include but not limited to, greeting Summit attendees; support in set up and take down of CSforALL signs, banners, stage; supporting and running Summit registration; Summit Swag bag stuffing; CSforALL social media takeovers; checking in attendees during breakout sessions; merchandise sales; supporting tech/av support during breakout sessions; supporting exhibit hall attendees; and more!

We could not do the Summit without our amazing volunteers, each volunteer will get a CSforALL Summit Volunteer T-shirt, food and refreshments during Summit Swag stuffing, access to subscribe to the CSforALL newsletter and social media, future opportunities to connect with the CSforALL team in engagement activities.

Once you know your interests and your schedule, please pick your dates, times and activities that you will be volunteering: [2022 CSforALL Summit Volunteer Form](#)
