

# CYBER AMBASSADORS

## TECH CAMP

June 22-24

9 AM-3 PM

UofM Central  
Campus

Hack.  
Patch.  
Code.

The University of Memphis is excited to host the 2020 Cyber Ambassadors Tech Camp for high school students. This camp will introduce students to the concepts of ethical hacking, software patching and coding.

The week will culminate with a short Capture the Flag competition. By the end of the week, students will have gained enough experience to earn their own cyber ambassador emblems.

There is a fee to attend this camp; however, it will only be charged upon acceptance. While lunch will not be provided, small snacks will be made available. Phones can be used but pictures are not allowed. Space is limited.
