---

## ON A NATIONAL SCALE

---

- Museums employ 400,000 Americans, according to the American Association of Museums.
- U.S. museums contribute over \$20 billion to the American economy each year, encouraging economic growth to their communities.
- Museums rank among the top three family vacation destinations.
- Trips including cultural and heritage activities comprise one of the most popular and significant segments of the travel industry, accounting for over 23% of all domestic trips.
- Visitors to historic sites and cultural attractions, including museums, stay 53% longer and spend 36% more money than other kinds of tourists.
- According to research by the National Governors Association, “It has been shown that the nonprofit arts and culture industry generates over \$166 billion in economic activity annually, supports over 5.7 million full time jobs, and returns over \$12 billion in federal income taxes annually. Governments which support the arts on average see a return on investment of over \$7 in taxes for every \$1 that the government appropriates.”

## AT THE LOCAL LEVEL\*\*

---
