HISTORICAL HERITAGE

For the last 108 years, the University of Memphis has been a catalyst for progress in the city, the State of Tennessee and the surrounding Mid-South region. As a doctoral degree-granting metropolitan research university, we are committed to excellence at all levels: undergraduate, graduate and professional. The University of Memphis’ roots date back to 1912 when it began as West Tennessee State Normal School and its main purpose was to educate public school teachers. While our name has changed several times throughout the years, the University has continued to be guided by the principles of academic integrity, sound management and equal opportunity. In 1968, it saw its first doctoral graduate, and since its doors first opened has conferred more than 160,000 degrees. The main campus lies in the heart of a widespread metropolis and combines the convenience of a large city with the atmosphere of a residential neighborhood. Additionally, the University consists of several satellite campuses, including Collierville, Dyersburg, Millington and Jackson, Tenn. In 2011, the University of Memphis obtained the Lambuth University campus and now offers four-year degrees at what is now the University of Memphis Lambuth. The University of Memphis awards more than 4,000 degrees annually. Divisions of the study include the College of Arts & Sciences, Fogelman College of Business & Economics, the College of Communication and Fine Arts, the College of Education, Herff College of Engineering, Kemmons Wilson School of Hospitality & Resort Management, Loewenberg College of Nursing, College of Professional & Liberal Studies, Graduate School, Cecil C. Humphreys School of Law, School of Communication Sciences and Disorders, School of Public Health and School of Health Studies. The University offers 17 bachelor’s degrees in more than 250 areas of study, master’s degrees in more than 54 subjects, doctoral degrees in 26 disciplines, a specialist’s degree in education, the Juris Doctor and many online degree programs. Reflecting on its commitment to the highest levels of excellence in teaching and national prominence in research, the University of Memphis has five Centers of Excellence and 24 Chairs of Excellence. Its full-time faculty number more than 940. Our wireless campus educates more than 20,000 students each year. Our faculty have won national awards ranging from Emmys and Grammys to the prestigious Peabody Award. In later years, the campus has seen recent changes and additions including the opening of the Community Health Building, Centennial Place, the Hunter Harrison Memorial Bridge and the Kemmons Wilson Culinary Institute. The Cecil C. Humphreys School of Law is housed in the historic U.S. Customs House and Post Office in downtown Memphis. While instruction, service and research are our primary emphases, the University also commits its resources to the social, cultural and economic welfare of the region through partnerships with many public and private organizations. As we continue to move forward, the University of Memphis is poised to enhance its national and international reputation as one of America’s great metropolitan research universities.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is the voice of students at the University of Memphis. The SGA is comprised of three branches of government: executive, judicial (Student Court) and legislative (Senate). Elections are held in April. The SGA funds travel for individual students and organizations, including trips to conferences relating to the student’s field of academic interest and leadership conferences. It sponsors Frosh Camp to help incoming first-time freshmen establish friendships, learn about what is offered on campus, begin the adjustment to college life, and have a successful first year. The SGA also sponsors the Mr. and Ms. UoM contest during football homecoming each fall. Student senators present resolutions as bills to the Student Senate for benefit of the general student body.

UNDERGRADUATE CANDIDATES FOR DEGREES GRADUATION WITH DISTINCTION

Based on a grading system of “A” as 4.0, three designations of graduation honors are recognized.*

Summa cum laude, with Highest Distinction, 3.80-4.00: gold cord

Magna cum laude, with High Distinction, 3.50-3.79: crimson cord

Cum laude, with Distinction, 3.25-3.49: white cord

GRADUATION WITH HONORS

Students may earn Honors distinction by meeting requirements of the campus-wide University Honors Program and/or fulfilling requirements for departmental honors programs. These requirements involve a combination of special honors coursework, independent study, and usually an honors thesis or project. Students who successfully complete University Honors Program requirements are awarded their degrees with honors (e.g., University Honors or University Honors with Thesis). Students completing departmental honors programs are awarded their degree with honors in their area of concentration (e.g., With Honors in English).

Undergraduate 4.0--4.0's are determined by looking at an undergraduate student's overall undergraduate studies (entire transcript/entire undergraduate career: Every undergraduate course taken must be an A or better) to determine a 4.0 GPA.

Student Marshal(s): Each undergraduate College and School will identify the undergraduate student(s) with the highest GPA in their overall undergraduate studies to act as its Student Marshal. Student Marshals are recognized by their Marshal's medallion and will lead the college across the stage.

*Note: The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution’s affirmation of possession of the degree.

Because of time limitations imposed in preparing this program for commencement, listing for graduation with distinction was based on a minimum of forty-two (42) semester hours at the University of Memphis and the grade point average as of the term prior to the final semester.
IN CELEBRATION OF OUR SUMMER CLASS OF 2020 TRUE BLUE DONORS

The Senior Class Gift Campaign was established by philanthropist George and Betty Johnson. Thanks to The Johnsons’ matching donations and our altruistic students, over $79,000 in scholarship funds have been provided to 9 incoming freshmen since 2015. The Senior Class Gift Campaign was established to build on the culture of student philanthropy. As you can see, our seniors have not disappointed.

True Blue Donors who donated to the Senior Class Gift program in honor of their graduation year are distinguished by wearing white, silver and blue Senior Class Gift stoles. Thank you for donating to the University and congratulations to everyone on graduating!
Your connection to this campus does not end when you graduate.

When you join the UofM Alumni Association, you’re not just giving back to a school- you’re giving back to a community and a growing, vibrant network of fellow Tigers. Your dues mean more than a membership. They help support student scholarships, alumni programs and events, while also increasing national rankings of the University of Memphis.

The University of Memphis community is proud and diverse. We stretch across the state and around the globe. As you leave campus to share your talents with the world, the UofM Alumni Association is right beside you, keeping you connected to more than 130,000 fellow Tigers. Our mission is to engage alumni, former students and friends in three challenges: advocating the ideals of the University, advancing its welfare and fostering lifelong relationships with the institution. The Alumni Association supports academics at the University of Memphis with more than 55 student scholarships and 11 faculty and staff awards for Excellence in Teaching, Research and Advising. The annual Distinguished Alumni Awards are hosted by the Alumni Association to recognize and highlight a select number of notable alumni.

The University of Memphis honors those who graduated 50 years ago with the Half Century Club Induction. This induction occurs yearly at the beginning of the Summer Commencement ceremony. Each member receives a medallion symbolizing the significant milestone.

Current graduating UofM students who are members of the Alumni Association through the Future Alumni of Memphis (FAM) or Young Alumni programs are distinguished by wearing a Tiger Blue stole during Commencement.

The Alumni Association is pleased to provide a complimentary Gray Membership to our new graduates. Get involved by mentoring a current student, supporting a scholarship or joining an alumni club or chapter based on academics or a specific interest. Moving after graduation? Join a club in your area. Socialize with other Tigers at the annual Homecoming Parade or at a watch party. Network at one of the hundreds of events and meetings throughout the year. But most importantly, help make Memphis stronger and continue your membership in the Alumni Association!

TOGETHER, WE MAKE MEMPHIS STRONGER.

COLLEGE OF EDUCATION

Dean, Dr. Kandi Hill-Clarke, PhD

The most historic college at the University of Memphis, the College of Education is nationally accredited and seeks to prepare teachers, education related professionals, and other licensed human service professionals to become effective leaders within their chosen career. The College holds the distinction of being one of the few in the nation to meet, without a weakness, National Council for the Accreditation of Teacher Education (NCATE) standards. In addition to high-quality classroom instruction, most programs are field based. Practical experiences and opportunities for participation in exciting hands-on training and research exist at our award winning Campus School, the Barbara K. Lipman Early Childhood School and Research Institute, our local Professional Development Schools, the nationally known Center for Research in Educational Policy, and internship programs in various community businesses and agencies, all where experts in the student’s field of study and University faculty work together to provide valuable on-the-job experience. The College offers off-campus courses at our Collierville, Jackson, and Dyersburg campuses and is a state leader in alternative online degree and licensure programs. Undergraduate programs administered by the College lead to the Bachelor of Science in Education and consist of three basic areas of work: General Education, Professional study, and study within one of 12 areas of Specialty. It is the work within a specialty that determines a student’s major. Graduate level studies at the College include 29 Master’s and 17 Doctoral degree programs. And, in administering 33 teacher licensure programs, The College of Education is the largest producer of teachers in Tennessee.

COLLEGE OF PROFESSIONAL & LIBERAL STUDIES

Executive Dean, Richard Irwin, EDD

The College of Professional & Liberal Studies, formerly University College, provides interdisciplinary educational opportunities in a flexible, relevant format for a diverse community of traditional and non-traditional adult learners. Established in 1975, the college is an innovator of new programs, a catalyst for interdisciplinary and multidisciplinary efforts throughout the campus, and a facilitator for the community to interact with the University. Students may also take advantage of the unique opportunity to petition for college credit for the knowledge, training, and skills acquired through professional experiences. The college offers individualized programs of study, allowing students to combine several areas of emphases in order to design their own degree. Additionally, we offer interdisciplinary degrees not traditionally offered by other colleges on campus. These include a Bachelor of Professional Studies and a Bachelor of Liberal Studies in over 20 concentrations including Child Development & Family Studies, Merchandising, Legal Studies, and also a Bachelor of Science in Commercial Aviation. Our Graduate Program offers a completely online Master of Professional Studies program with concentrations in Strategic Leadership, Human Resources Leadership, and Training and Development. Student may also design their own graduate individualized program of study through our Master of Arts in Liberal Studies degree as well as a Doctor of Liberal Studies degree.

MASTER OF ARTS IN LIBERAL STUDIES

The candidates have completed a required core of Liberal Studies courses, an interdisciplinary Coordinated Study of Liberal Studies courses from the College of Arts & Sciences and the College of Communication and Fine Arts, and a Special Project in Liberal Studies.
