## **HISTORICAL HERITAGE**

For the last 108 years, the University of Memphis has been a catalyst for progress in the city, the State of Tennessee and the surrounding Mid-South region. As a doctoral degree-granting metropolitan research university, we are committed to excellence at all levels: undergraduate, graduate and professional. The University of Memphis' roots date back to 1912 when it began as West Tennessee State Normal School and its main purpose was to educate public school teachers. While our name has changed several times throughout the years, the University has continued to be guided by the principles of academic integrity, sound management and equal opportunity. In 1968, it saw its first doctoral graduate, and since its doors first opened has conferred more than 160,000 degrees. The main campus lies in the heart of a widespread metropolis and combines the convenience of a large city with the atmosphere of a residential neighborhood. Additionally, the University consists of several satellite campuses, including Collierville, Dyersburg, Millington and Jackson, Tenn. In 2011, the University of Memphis obtained the Lambuth University campus and now offers four-year degrees at what is now the University of Memphis Lambuth. The University of Memphis awards more than 4,000 degrees annually. Divisions of the study include the College of Arts & Sciences, Fogelman College of Business & Economics, the College of Communication and Fine Arts, the College of Education, Herff College of Engineering, Kemmons Wilson School of Hospitality & Resort Management, Loewenberg College of Nursing, College of Professional & Liberal Studies, Graduate School, Cecil C. Humphreys School of Law, School of Communication Sciences and Disorders, School of Public Health and School of Health Studies. The University offers 17 bachelor's degrees in more than 250 areas of study, master's degrees in more than 54 subjects, doctoral degrees in 26 disciplines, a specialist's degree in education, the Juris Doctor and many online degree programs. Reflecting on its commitment to the highest levels of excellence in teaching and national prominence in research, the University of Memphis has five Centers of Excellence and 24 Chairs of Excellence. Its full-time faculty number more than 940. Our wireless campus educates more than 20,000 students each year. Our faculty have won national awards ranging from Emmys and Grammys to the prestigious Peabody Award. In later years, the campus has seen recent changes and additions including the opening of the Community Health Building, Centennial Place, the Hunter Harrison Memorial Bridge and the Kemmons Wilson Culinary Institute. The Cecil C. Humphreys School of Law is housed in the historic U.S. Customs House and Post Office in downtown Memphis. While instruction, service and research are our primary emphases, the University also commits its resources to the social, cultural and economic welfare of the region through partnerships with many public and private organizations. As we continue to move forward, the University of Memphis is poised to enhance its national and international reputation as one of America's great metropolitan research universities.

## **STUDENT GOVERNMENT ASSOCIATION**

The Student Government Association is the voice of students at the University of Memphis. The SGA is comprised of three branches of government: executive, judicial (Student Court) and legislative (Senate). Elections are held in April. The SGA funds travel for individual students and organizations, including trips to conferences relating to the student's field of academic interest and leadership conferences. It sponsors Frosh Camp to help incoming first-time freshmen establish friendships, learn about what is offered on campus, begin the adjustment to college life, and have a successful first year. The SGA also sponsors the Mr. and Ms. UofM contest during football homecoming each fall. Student senators present resolutions as bills to the Student Senate for benefit of the general student body.

## **2021-2022 OFFICERS/COUNCIL**

*President:* Matthew White

*Vice President:* Kennedy F. Brown Willis

*Speaker:* Hannah Nelson

*Chief Justice:* Razan Sweileh

## UNDERGRADUATE CANDIDATES FOR DEGREES GRADUATION WITH DISTINCTION

Based on a grading system of “A” as 4.0, three designations of graduation honors are recognized.\*

**Summa cum laude**, *with Highest Distinction, 3.80-4.00: gold cord*

**Magna cum laude**, *with High Distinction, 3.50-3.79: crimson cord*

**Cum laude**, *with Distinction, 3.25-3.49: white cord*

## GRADUATION WITH HONORS

Students may earn Honors distinction by meeting requirements of the campus-wide University Honors Program and/or fulfilling requirements for departmental honors programs. These requirements involve a combination of special honors coursework, independent study, and usually an honors thesis or project. Students who successfully complete University Honors Program requirements are awarded their degrees with honors (e.g., University Honors or University Honors with Thesis). Students completing departmental honors programs are awarded their degree with honors in their area of concentration (e.g., With Honors in English).

**Undergraduate 4.0--4.0's** are determined by looking at an undergraduate student's **overall undergraduate studies** (*entire transcript/entire undergraduate career*: Every undergraduate course taken must be an A or better) to determine a 4.0 GPA.

**Student Marshal(s)**: Each undergraduate College and School will identify the undergraduate student(s) with the highest GPA in their **overall undergraduate studies** to act as its Student Marshal. Student Marshals are recognized by their Marshal's medallion and will lead the college across the stage.

**\*Note:** The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution's affirmation of possession of the degree.

Because of time limitations imposed in preparing this program for commencement, listing for graduation with distinction was based on a minimum of forty-two (42) semester hours at the University of Memphis and the grade point average as of the term prior to the final semester.

**Your connection to this campus does not end when you graduate.**

**When you join the UofM Alumni Association, you're not just giving back to a school- you're giving back to a community and a growing, vibrant network of fellow Tigers. Your dues mean more than a membership. They help support student scholarships, alumni programs and events, while also increasing national rankings of the University of Memphis.**

The University of Memphis community is proud and diverse. We stretch across the state and around the globe. As you leave campus to share your talents with the world, the UofM Alumni Association is right beside you, keeping you connected to more than 130,000 fellow Tigers. Our mission is to engage alumni, former students and friends in three challenges: advocating the ideals of the University, advancing its welfare and fostering life-long relationships with the institution. The Alumni Association supports academics at the University of Memphis with more than 55 student scholarships and 11 faculty and staff awards for Excellence in Teaching, Research and Advising. The annual Distinguished Alumni Awards are hosted by the Alumni Association to recognize and highlight a select number of notable alumni.

The University of Memphis honors those who graduated 50 years ago with the Half Century Club Induction. This induction occurs yearly at the beginning of the Summer Commencement ceremony. Each member receives a medallion symbolizing the significant milestone.

Current graduating UofM students who are members of the Alumni Association through the Future Alumni of Memphis (FAM) or Young Alumni programs are distinguished by wearing a Tiger Blue stole during Commencement.

The Alumni Association is pleased to provide a complimentary Gray Membership to our new graduates. Get involved by mentoring a current student, supporting a scholarship or joining an alumni club or chapter based on academics or a specific interest. Moving after graduation? Join a club in your area. Socialize with other Tigers at the annual Homecoming Parade or at a watch party. Network at one of the hundreds of events and meetings throughout the year. But most importantly, help make Memphis stronger and continue your membership in the Alumni Association!

The Senior Class Gift Campaign was established by philanthropists George and Betty Johnson who wanted to inspire UofM seniors to give back in a meaningful way. This year the Johnsons committed \$1 million dollars to endow the Senior Class Gift Campaign which will ensure that the funds donated by future generations of Tigers are matched, dollar for dollar, to support other students. The Senior Class Gift Campaign was established to build on the culture of student philanthropy at the UofM and it has become a tradition that students look forward to upon graduation.

**True Blue Donors** who donated to the Senior Class Gift program in honor of their graduation year are distinguished by wearing blue, silver and white Senior Class Gift stoles. Thank you for donating to the University and congratulations to everyone on graduating!

## **Bill Haslam**

Bill Haslam is the former governor of the State of Tennessee. He was first elected in 2010 and was re-elected in 2014 with the largest victory in modern Tennessee history.

Under his leadership, Tennessee became recognized as a national leader in education, economic development, efficient and effective government, and fiscal strength.

During his two terms as governor, Tennessee students were the fastest improving in the country in academic achievement, and high school graduation rates reached an all-time high. Tennessee became the first state in the nation to offer high school graduates and adults two years of community or technical college free of mandatory tuition and fees as part of the governor's Tennessee Promise and Tennessee Reconnect programs.

Approximately 450,000 private sector jobs were created during his time in office, and Tennessee's unemployment rate reached the lowest level recorded in state history.

Haslam proposed and implemented significant legislative initiatives, including working with the Tennessee General Assembly to simultaneously pass the largest tax cut in Tennessee history and improve the state's transportation infrastructure. His administration right-sized state government while building a customer-centric approach, cut more than \$575 million in recurring spending, balanced the budget every year, more than tripled the state's savings account, and helped the state earn a triple AAA bond rating.

In 2003, Haslam ran successfully for mayor of Knoxville and was overwhelmingly re-elected in 2007. As mayor, he balanced eight consecutive city budgets, tripled the Rainy Day Fund, focused city government on providing services in an efficient manner, helped found key education initiatives, and recruited and retained thousands of jobs to Knoxville.

Since leaving office, Haslam has returned to the private sector and continues to be engaged on many local and national issues. He is currently the Chair of the Wilson Center and serves on the National Board of Directors for Teach for America, and Young Life Board.

Haslam and his wife, Crissy, have been married for 40 years and are blessed with three children and ten grandchildren.

## CECIL C. HUMPHREYS SCHOOL OF LAW

*Dean, Katharine Traylor Schaffzin*

The faculty of the School of Law is proud to present for conferral of the Juris Doctor degree the men and women who have successfully met all of the requirements for graduation as established by the School of Law. These graduates are not only prepared to enter into the practice of law, but they also are prepared for a lifetime of leadership in the legal profession. The School of Law endeavors to instill in each graduate a sense of responsibility to improve the access to legal services for all persons and every segment of society. Above all, the School of Law endeavors to impress upon each graduate the necessity for maintaining the high ethical standards that are expected of lawyers in today's society. The graduates are entering a profession that is vital to the preservation of a free and democratic society, and they are well prepared for the challenges that lie ahead.

## COLLEGE OF ARTS & SCIENCES

*Dean, Abby L. Parrill-Baker, PhD*

The aims and purposes of The College of Arts and Sciences are (1) to provide students with a store of factual knowledge; (2) to introduce them to varying sets of principles; (3) to stimulate them to think about and to evaluate these facts and principles; and (4) to encourage them to order their own affairs and those of society with the talent, insight and discrimination which they develop. We have been privileged to pursue these aims with the following students who are candidates for the seven degrees which we offer:

### MASTER OF ARTS

The candidates for this degree have majored in Anthropology, Criminal Justice, Earth Sciences, English, History, Philosophy, Political Science, Romance Languages, School Psychology or Sociology.

## COLLEGE OF COMMUNICATION AND FINE ARTS

*Dean, Anne Hogan, PhD*

The College of Communication and Fine Arts is ultimately centered on visual and audible symbols whose rational and emotional values it is the mission of the College to create and explore. In the belief that perception is largely shaped by experience, the College of Communication and Fine Arts offers a range of symbolically rendered experiences, both individual and collective, in the hope of broadening and sensitizing the perceptions of its students. Through its various professional courses of study, it prepares students to work toward careers in architecture and design, the fine or applied arts, communication, or the performing arts, whether as practitioners, teachers, artists, or consultants. The College offers seven degrees by which to accomplish its purposes:

## COLLEGE OF EDUCATION

*Dean, Dr. Kandi Hill-Clarke, PhD*

The most historic college at the University of Memphis, the College of Education is nationally accredited and seeks to prepare teachers, education related professionals, and other licensed human service professionals to become effective leaders within their chosen career. The College holds the distinction of being one of the few in the nation to meet, without a weakness, National Council for the Accreditation of Teacher Education (NCATE) standards. In addition to high-quality classroom instruction, most programs are field based. Practical experiences and opportunities for participation in exciting hands-on training and research exist at our award winning Campus School, the Barbara K. Lipman Early Childhood School and Research Institute, our local Professional Development Schools, the nationally known Center for Research in Educational Policy, and internship programs in various community businesses and agencies, all where experts in the student's field of study and University faculty work together to provide valuable on-the-job experience. The College offers off-campus courses at our Collierville, Jackson, and Dyersburg campuses and is a state leader in alternative online degree and licensure programs. Undergraduate programs administered by the College lead to the Bachelor of Science in Education and consist of three basic areas of work: General Education, Professional study, and study within one of 12 areas of Specialty. It is the work within a specialty that determines a student's major. Graduate level studies at the College include 29 Master's and 17 Doctoral degree programs. And, in administering 33 teacher licensure programs, The College of Education is the largest producer of teachers in Tennessee.

## COLLEGE OF HEALTH SCIENCES

*Dean, Richard Bloomer, PhD*

The College of Health Sciences provides students with a top-tier education focused on the fundamental principles of health, exercise, nutrition, and physical activity, while equipping students with the cutting-edge knowledge and skills needed to fulfill leadership roles in their chosen area of specialty. This often includes pursuing graduate study in the allied health-related sciences (e.g., physical therapy, occupational therapy, physician assistant, nutrition, and physical education) or PhD study in related areas. The Dietetics and Clinical Nutrition programs are fully accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). Faculty members within CHS are leaders in their respective disciplines and oversee state-of-the-art research programs in the health sciences. Six undergraduate and seven graduate degree programs are offered within CHS. A minor in Nutrition, Health & Wellness and Medical Assisting is also offered. Faculty members of the CHS are proud to present the following graduates who have met all of the requirements for the bachelor of science (BS), the bachelor of science in education (BSEd), or the master of science (MS) degree:

## COLLEGE OF PROFESSIONAL & LIBERAL STUDIES

*Executive Dean, Richard Irwin, EDD*

The College of Professional & Liberal Studies, formerly University College, provides interdisciplinary educational opportunities in a flexible, relevant format for a diverse community of traditional and non-traditional adult learners. Established in 1975, the college is an innovator of new programs, a catalyst for interdisciplinary and multidisciplinary efforts throughout the campus, and a facilitator for the community to interact with the University. Students may also take advantage of the unique opportunity to petition for college credit for the knowledge, training, and skills acquired through professional experiences. The college offers individualized programs of study, allowing students to combine several areas of emphases in order to design their own degree. Additionally, we offer interdisciplinary degrees not traditionally offered by other colleges on campus. These include a Bachelor of Professional Studies and a Bachelor of Liberal Studies in over 20 concentrations including Child Development & Family Studies, Merchandising, Legal Studies, and also a Bachelor of Science in Commercial Aviation. Our Graduate Program offers a completely online Master of Professional Studies program with concentrations in Strategic Leadership, Human Resources Leadership, and Training and Development. Student may also design their own graduate individualized program of study through our Master of Arts in Liberal Studies degree as well as a Doctor of Liberal Studies degree.

### MASTER OF ARTS IN LIBERAL STUDIES

The candidates have completed a required core of Liberal Studies courses, an interdisciplinary Coordinated Study of Liberal Studies courses from the College of Arts & Sciences and the College of Communication and Fine Arts, and a Special Project in Liberal Studies.

# FOGELMAN COLLEGE OF BUSINESS & ECONOMICS

*Dean, Charles A. Pierce, PhD*

The Fogelman College of Business & Economics (FCBE), an AACSB accredited institution, comprises six departments (School of Accountancy; Economics; Finance, Insurance and Real Estate; Management Information Systems; Management; and Marketing and Supply Chain Management) and academic programs at all levels – undergraduate, masters and doctoral. Fogelman College's undergraduate, masters and doctoral enrollments are 2,620, 742 and 78, respectively, and it has 109 full-time and part-time faculty members. Approximately 90% of full-time faculty members hold doctoral degrees. The Fogelman College differentiates itself by providing a unique Complete Professional Program that holistically prepares students with the tools to achieve both personal and professional excellence. Through the Avron B. Fogelman Professional Development Center, FCBE provides training on ethics, healthy living habits, business etiquette, resume building, professionalism, philanthropic activities and more. In addition to the professional development differentiator, Fogelman College is also proud to distinguish itself based on the customized development of MBAs. Fogelman College offers a comprehensive portfolio of graduate programs including five different tracks to earn a MBA. These programs include the Customer-Driven MBA, International MBA, Executive MBA, Online MBA and Professional MBA. Furthermore, Fogelman College works very closely with Memphis area companies, many of them Fortune 500, to offer students invaluable hands-on learning experiences from professionals in these industries.

# LOEWENBERG COLLEGE OF NURSING

*Dean, Larry Slater, PhD*

The Loewenberg College of Nursing (LCON) provides accessible and innovative higher education by preparing leaders who promote health in the global community through excellent teaching, rigorous research and collaborative practice/service. The Loewenberg College of Nursing (both undergraduate and graduate programs) is fully accredited by the Commission for Collegiate Nursing Education. The high quality education is reflected in graduates' 95%-100% NCLEX pass rates and sought by world-renowned clinical settings. With advanced preparation for practice as family nurse practitioners, nurse educators, or nurse administrators, our MSN graduates are prepared to shape the future of healthcare in our nation. Faculty of the LCON are proud to present the following graduates who have met all of the requirements for either the bachelor of science (BSN) or the master of science in nursing (MSN) degree.

## SCHOOL OF PUBLIC HEALTH

*Dean, Marian C. Levy, DrPH*

The School of Public Health, nationally accredited by the Council on Education for Public Health, provides both graduate and undergraduate education, practicum experience, and research training to develop capabilities and address the growing need for a proficient public health workforce. The School offers a Bachelor of Science in Public Health (BSPH); three master's degrees (Master of Science in Biostatistics; Master of Public Health; and Master of Health Administration); and three doctoral degrees (Biostatistics, Epidemiology, and Social & Behavioral Sciences). The Master of Public Health provides concentrations in five areas: Biostatistics, Epidemiology, Urban Health, Social & Behavioral Sciences, and Generalist. The nationally-ranked Master of Health Administration and online Executive MHA are accredited by the Commission on Accreditation of Healthcare Management Education (CAHME) and are the only CAHME-accredited programs in Tennessee. Our mission involves the translation of knowledge and research into community practice to tackle pressing societal problems of social and environmental justice, health disparities, unhealthy lifestyles, and accessible systems that support the health of individuals, families, and communities. We emphasize both discovery and application with the goal of moving "knowledge into action" locally, nationally, and globally. We are proud of the following graduates:

## MASTER OF PUBLIC HEALTH

The candidates for this degree have majored in Public Health with emphasis in the areas of Biostatistics, Epidemiology, Environmental Health, Health Systems Management or Social and Behavioral Sciences.

## ALAMA MATER

Stand Firm, O Alma Mater,  
Through all the years to come;  
In days of youth and beauty  
Thy halls have been our home.  
In time of preparation  
Great lessons didst thou teach  
Till now, O Alma Mater,  
The stars we'll strive to reach.

## FIGHT SONG

Go Tigers Go,  
Go On To Victory,  
Be A Winner Thru And Thru;  
Fight Tigers, Fight  
'Cause We're Going All The Way  
Fight, Fight,  
For The Blue And Gray  
And Say — Let's  
Go Tigers Go,  
Go On To Victory.  
See Our Colors Bright And True;  
It's Fight Now Without A Fear,  
Fight Now Let's Shout A Cheer,  
Shout For Dear Old Memphis U.  
Go Tigers Go!  
Go Tigers Go!
