

THE GRADUATE SCHOOL

Vice Provost and Dean of the Graduate School, Dr. Deborah Perron Tollefsen

The Graduate School of the University of Memphis is the center of advanced study and research within the University. The basic objectives of The Graduate School are: (a) to preserve and disseminate knowledge now available in the humanities, the sciences, and the various professional areas represented by the departmental graduate faculties; (b) to extend knowledge through basic research; and (c) to prepare men and women to assume a more responsible and useful role in society.

COLLEGE OF ARTS & SCIENCES

Dean, Abby Parrill-Baker, PhD

The aims and purposes of The College of Arts and Sciences are (1) to provide students with a store of factual knowledge; (2) to introduce them to varying sets of principles; (3) to stimulate them to think about and to evaluate these facts and principles; and (4) to encourage them to order their own affairs and those of society with the talent, insight and discrimination which they develop. We have been privileged to pursue these aims with the following students who are candidates for the seven degrees which we offer:

COLLEGE OF COMMUNICATION AND FINE ARTS

Dean, Dr. Debra Burns

The College of Communication and Fine Arts is ultimately centered on visual and audible symbols whose rational and emotional values it is the mission of the College to create and explore. In the belief that perception is largely shaped by experience, the College of Communication and Fine Arts offers a range of symbolically rendered experiences, both individual and collective, in the hope of broadening and sensitizing the perceptions of its students. Through its various professional courses of study, it prepares students to work toward careers in architecture and design, the fine or applied arts, communication & film, or the performing arts, whether as practitioners, teachers, artists, or consultants. The College offers seven degrees by which to accomplish its purposes:

MASTER OF ARCHITECTURE

The candidates for this professional degree have majored in architecture.

COLLEGE OF EDUCATION

Dean, Dr. Michael T. Miller

The most historic academic programs at the University of Memphis are housed in the nationally accredited College of Education. The College holds the distinction of being one of the few in the nation to continuously meet the rigorous standards of the Council for the Accreditation of Educator Preparation as well as the Council for Accreditation of Counseling and Related Programs and the American Psychological Association. The majority of programs include field-based training with area schools and community based organizations. The College is also home to the nationally recognized Center for Research in Educational Policy and the Center for Rehabilitation and Employment Research. Offering a full range of undergraduate and graduate degree programs, delivered both on-campus and on-line, the College is consistently one of the largest producers of school teachers in the state.

COLLEGE OF HEALTH SCIENCES

Dean, Richard Bloomer, PhD

The College of Health Sciences provides students with a top-tier education focused on the fundamental principles of health, exercise, nutrition, and physical activity, while equipping students with the cutting-edge knowledge and skills needed to fulfill leadership roles in their chosen area of specialty. This often includes pursuing graduate study in the allied health-related sciences (e.g., physical therapy, occupational therapy, physician assistant, nutrition, and physical education) or PhD study in related areas. The Dietetics and Clinical Nutrition programs are fully accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). Faculty members within CHS are leaders in their respective disciplines and oversee state-of-the-art research programs in the health sciences. Six undergraduate, seven Master of Science, and two Doctor of Philosophy degree programs are offered within CHS. Minors in Nutrition, Health & Wellness; Personal Training; and Medical Assisting are also offered.

MASTER OF SCIENCE

The candidates for this degree have majored in the areas of Clinical Nutrition, Environmental Nutrition, Exercise, Sport, and Movement Sciences, Health Promotion, Nutrition Science or Physical Education Teacher Education.

COLLEGE OF PROFESSIONAL & LIBERAL STUDIES

Dean, Joanne Gikas, EdD

The College of Professional & Liberal Studies, formerly University College, provides interdisciplinary educational opportunities in a flexible, relevant format for a diverse community of traditional and non-traditional adult learners. Established in 1975, the college is an innovator of new programs, a catalyst for interdisciplinary and multidisciplinary efforts throughout the campus, and a facilitator for the community to interact with the University. Students may also take advantage of the unique opportunity to petition for college credit for the knowledge, training, and skills acquired through professional experiences. The college offers individualized programs of study, allowing students to combine several areas of emphases in order to design their own degree. Additionally, we offer interdisciplinary degrees not traditionally offered by other colleges on campus. These include a Bachelor of Professional Studies and a Bachelor of Liberal Studies in over 20 concentrations including Child Development & Family Studies, Merchandising, Legal Studies, and also a Bachelor of Science in Commercial Aviation. Our Graduate Program offers a completely online Master of Professional Studies program with concentrations in Strategic Leadership, Human Resources Leadership, and Training and Development. Student may also design their own graduate individualized program of study through our Master of Arts in Liberal Studies degree as well as a Doctor of Liberal Studies degree.

MASTER OF ARTS IN LIBERAL STUDIES

The candidates have completed a required core of Liberal Studies courses, an interdisciplinary Coordinated Study of Liberal Studies courses from the College of Arts & Sciences and the College of Communication and Fine Arts, and a Special Project in Liberal Studies.

FOGELMAN COLLEGE OF BUSINESS & ECONOMICS

Dean, Bobby Garrett, PhD

The Fogelman College of Business & Economics (FCBE), an AACSB accredited institution, comprises six departments (School of Accountancy; Economics; Finance, Insurance and Real Estate; Management Information Systems; Management; and Marketing and Supply Chain Management) and academic programs at all levels – undergraduate, masters and doctoral. Fogelman College's undergraduate, masters and doctoral enrollments are 2,620, 742 and 78, respectively, and it has 109 full-time and part-time faculty members. Approximately 90% of full-time faculty members hold doctoral degrees. The Fogelman College differentiates itself by providing a unique Complete Professional Program that holistically prepares students with the tools to achieve both personal and professional excellence. Through the Avron B. Fogelman Professional Development Center, FCBE provides training on ethics, healthy living habits, business etiquette, resume building, professionalism, philanthropic activities and more. In addition to the professional development differentiator, Fogelman College is also proud to distinguish itself based on the customized development of MBAs. Fogelman College offers a comprehensive portfolio of graduate programs including five different tracks to earn a MBA. These programs include the Customer-Driven MBA, International MBA, Executive MBA, Online MBA and Professional MBA. Furthermore, Fogelman College works very closely with Memphis area companies, many of them Fortune 500, to offer students invaluable hands-on learning experiences from professionals in these industries.

HERFF COLLEGE OF ENGINEERING

Dean, Okenwa Okoli, PhD

The mission of the College of Engineering is: to provide quality education, research, and service that responds to the needs and challenges of the Mid-South region; to promote the knowledge, skills, ethics, creativity, and critical thinking necessary for professional competence and lifelong learning, including an international perspective and a social awareness and to conduct quality scholarship and research across the College, including world-class research in selected areas. The following are the degrees offered with the appropriate concentrations within the respective areas:

MASTER OF SCIENCE

The candidates for this degree have majored in Biomedical Engineering, Civil Engineering, Electrical and Computer Engineering, Engineering Technology or Mechanical Engineering.

KEMMONS WILSON SCHOOL OF HOSPITALITY & RESORT MANAGEMENT

Dean, Radesh Palakurthi, PhD, MBA

The Kemmons Wilson School of Hospitality & Resort Management's enduring ambition is to develop global hospitality and sport management leaders that excel in operations and senior corporate positions. The mission is to produce excellent leaders that will be thoroughly prepared to thrive in the challenging global environment of the 21st century hospitality industry. The mission is accomplished through pursuing four major priorities: Student Learning achieved through a contemporary curriculum that is enhanced with experiential learning, study abroad programs, leadership and team-building opportunities; Industry Engagement built through strategic partnerships for extending student placement, faculty development and curriculum improvements; Discovery through student and faculty scholarship aimed at disseminating and sharing knowledge and information for the benefit of the global hospitality community; and, Resource Development for continuously improving learning, scholarship, and service opportunities for students and faculty. The School's values emanate from the Kemmons Wilson philosophy which, foster a positive attitude and confidence developed through an array of competencies and hard work; instills entrepreneurial spirit achieved through seizing opportunities, intelligent risk-taking and dedication to work and capital ideas; maintains a life-long relationships through trust, honesty, and integrity; and by living a wholesome lifestyle that is achieved through a balanced approach to professional and personal commitments.

LOEWENBERG COLLEGE OF NURSING

Dean, Dr. Linda Haddad

The Loewenberg College of Nursing (LCON) provides accessible and innovative higher education by preparing leaders who promote health in the global community through excellent teaching, rigorous research and collaborative practice/service. The Loewenberg College of Nursing (both undergraduate and graduate programs) is fully accredited by the Commission for Collegiate Nursing Education. The high quality education is reflected in graduates' 95%-100% NCLEX pass rates and sought by world-renowned clinical settings. With advanced preparation for practice as family nurse practitioners, nurse educators, or nurse administrators, our MSN graduates are prepared to shape the future of healthcare in our nation. Faculty of the LCON are proud to present the following graduates who have met all of the requirements for either the bachelor of science (BSN) or the master of science in nursing (MSN) degree.

THE SCHOOL OF COMMUNICATION SCIENCES & DISORDERS

Dean, Linda Jarmulowicz, PhD

The School of Communication Sciences and Disorders promotes effective communication and function of related systems for all individuals through excellence in education, research, and practice. The school houses two nationally ranked and accredited professional graduate programs, a research-focused PhD, and an undergraduate program. The master's degree in speech-language pathology (M.A.) and the clinical doctorate in audiology (Au. D.) emphasize theoretical and applied aspects of communication disorders and prepare graduates for clinical careers within the fields and for further graduate study. At the research level, the Doctor of Philosophy (Ph.D.) program emphasizes the theoretical and applied aspects of communication disorders that prepare graduates for academic research and teaching positions within the field and for postdoctoral graduate study. The Bachelor of Arts (B.A.) in American Sign Language and Deaf Studies prepares students to be advocates of the language, the culture, and people who are Deaf or Hard of Hearing. We are proud of the following graduates:

SCHOOL OF PUBLIC HEALTH

Dean, Dr. Ashish Joshi

The School of Public Health, nationally accredited by the Council on Education for Public Health, provides both graduate and undergraduate education, practicum experience, and research training to develop capabilities and address the growing need for a proficient public health workforce. The School offers a Bachelor of Science in Public Health (BSPH); three master's degrees (Master of Science in Biostatistics; Master of Public Health; and Master of Health Administration); and three doctoral degrees (Biostatistics, Epidemiology, and Social & Behavioral Sciences). The Master of Public Health provides concentrations in five areas: Biostatistics, Epidemiology, Urban Health, Social & Behavioral Sciences, and Generalist. The nationally-ranked Master of Health Administration and online Executive MHA are accredited by the Commission on Accreditation of Healthcare Management Education (CAHME) and are the only CAHME-accredited programs in Tennessee. Our mission involves the translation of knowledge and research into community practice to tackle pressing societal problems of social and environmental justice, health disparities, unhealthy lifestyles, and accessible systems that support the health of individuals, families, and communities. We emphasize both discovery and application with the goal of moving "knowledge into action" locally, nationally, and globally. We are proud of the following graduates:

MASTER OF HEALTH ADMINISTRATION

The candidates for this degree have majored in Public Health with emphasis in the areas of Biostatistics, Epidemiology, Environmental Health, Health Systems Management or Social and Behavioral Sciences.

TIGERLIFE COMPLETION AWARDS

TigerLIFE (Learning Independence, Fostering Employment & Education)

The University of Memphis TigerLIFE Postsecondary Education Program is a 60-hour program culminating in a completion award in Career and Community Studies. Participation in the Tiger LIFE program provides students with an option for continuing their education beyond high school to increase employment opportunities. The Inclusive Higher Education (IHE) program provides individualized Programs of Study in the areas of academic, social, vocational and independence for students ages 18-29 with intellectual disabilities. At the heart of TigerLIFE is person-centered planning model that uses the Systems Approach to Placement. The TigerLIFE program is administered by the University of Memphis Institute on Disability (UMID) whose purpose is to assist people with physical and developmental disabilities in finding meaningful Competitive employment and serves as a community rehabilitation provider (CRP) for the mid-south regional area vocational rehabilitation departments in Arkansas, Mississippi, and Tennessee. TigerLIFE is a federally recognized Comprehensive Transition Program.
