## **HISTORICAL HERITAGE**

For over 100 years, the University of Memphis has been a catalyst for progress in the city, the State of Tennessee and the surrounding Mid-South region. As a doctoral degree-granting metropolitan research university, we are committed to excellence at all levels: undergraduate, graduate and professional. The University of Memphis' roots date back to 1912 when it began as West Tennessee State Normal School and its main purpose was to educate public school teachers. While our name has changed several times throughout the years, the University has continued to be guided by the principles of academic integrity, sound management and equal opportunity. In 1968, it saw its first doctoral graduate, and since its doors first opened has conferred more than 160,000 degrees. The main campus lies in the heart of a widespread metropolis and combines the convenience of a large city with the atmosphere of a residential neighborhood. Additionally, the University consists of several satellite campuses, including Collierville, Dyersburg, Millington and Jackson, Tenn. In 2011, the University of Memphis obtained the Lambuth University campus and now offers four-year degrees at what is now the University of Memphis Lambuth. The University of Memphis awards more than 4,000 degrees annually. Divisions of the study include the College of Arts & Sciences, Fogelman College of Business & Economics, the College of Communication and Fine Arts, the College of Education, Herff College of Engineering, Kemmons Wilson School of Hospitality & Resort Management, Loewenberg College of Nursing, College of Professional & Liberal Studies, Graduate School, Cecil C. Humphreys School of Law, School of Communication Sciences and Disorders, School of Public Health and School of Health Studies. The University offers 17 bachelor's degrees in more than 250 areas of study, master's degrees in more than 54 subjects, doctoral degrees in 26 disciplines, a specialist's degree in education, the Juris Doctor and many online degree programs. Reflecting on its commitment to the highest levels of excellence in teaching and national prominence in research, the University of Memphis has five Centers of Excellence and 24 Chairs of Excellence. Its full-time faculty number more than 940. Our wireless campus educates more than 20,000 students each year. Our faculty have won national awards ranging from Emmys and Grammys to the prestigious Peabody Award. In later years, the campus has seen recent changes and additions including the opening of the Community Health Building, Centennial Place, the Hunter Harrison Memorial Bridge and the Kemmons Wilson Culinary Institute. The Cecil C. Humphreys School of Law is housed in the historic U.S. Customs House and Post Office in downtown Memphis. While instruction, service and research are our primary emphases, the University also commits its resources to the social, cultural and economic welfare of the region through partnerships with many public and private organizations. As we continue to move forward, the University of Memphis is poised to enhance its national and international reputation as one of America's great metropolitan research universities.

## **STUDENT GOVERNMENT ASSOCIATION**

The Student Government Association is the voice of students at the University of Memphis. The SGA is comprised of three branches of government: executive, judicial (Student Court) and legislative (Senate). Elections are held in April. The SGA funds travel for individual students and organizations, including trips to conferences relating to the student's field of academic interest and leadership conferences. It sponsors Frosh Camp to help incoming first-time freshmen establish friendships, learn about what is offered on campus, begin the adjustment to college life, and have a successful first year. The SGA also sponsors the Mr. and Ms. UofM contest during football homecoming each fall. Student senators present resolutions as bills to the Student Senate for benefit of the general student body.

## UNDERGRADUATE CANDIDATES FOR DEGREES GRADUATION WITH DISTINCTION

Based on a grading system of “A” as 4.0, three designations of graduation honors are recognized.\*

**Summa cum laude**, *with Highest Distinction, 3.80-4.00: gold cord*

**Magna cum laude**, *with High Distinction, 3.50-3.79: crimson cord*

**Cum laude**, *with Distinction, 3.25-3.49: white cord*

## GRADUATION WITH HONORS

Students may earn Honors distinction by meeting requirements of the campus-wide University Honors Program and/or fulfilling requirements for departmental honors programs. These requirements involve a combination of special honors coursework, independent study, and usually an honors thesis or project. Students who successfully complete University Honors Program requirements are awarded their degrees with honors (e.g., University Honors or University Honors with Thesis). Students completing departmental honors programs are awarded their degree with honors in their area of concentration (e.g., With Honors in English).

**Undergraduate 4.0--4.0's** are determined by looking at an undergraduate student's **overall undergraduate studies** (*entire transcript/entire undergraduate career*: Every undergraduate course taken must be an A or better) to determine a 4.0 GPA.

**Student Marshal(s)**: Each undergraduate College and School will identify the undergraduate student(s) with the highest GPA in their **overall undergraduate studies** to act as its Student Marshal. Student Marshals are recognized by their Marshal's medallion and will lead the college across the stage.

**\*Note:** The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution's affirmation of possession of the degree.

Because of time limitations imposed in preparing this program for commencement, listing for graduation with distinction was based on a minimum of forty-two (42) semester hours at the University of Memphis and the grade point average as of the term prior to the final semester.

## COLLEGE OF COMMUNICATION AND FINE ARTS

*Dean, Dr. Debra Burns*

The College of Communication and Fine Arts is ultimately centered on visual and audible symbols whose rational and emotional values it is the mission of the College to create and explore. In the belief that perception is largely shaped by experience, the College of Communication and Fine Arts offers a range of symbolically rendered experiences, both individual and collective, in the hope of broadening and sensitizing the perceptions of its students. Through its various professional courses of study, it prepares students to work toward careers in architecture and design, the fine or applied arts, communication & film, or the performing arts, whether as practitioners, teachers, artists, or consultants. The College offers seven degrees by which to accomplish its purposes:

## SCHOOL OF PUBLIC HEALTH

*Dean, Dr. Ashish Joshi*

The School of Public Health, nationally accredited by the Council on Education for Public Health, provides both graduate and undergraduate education, practicum experience, and research training to develop capabilities and address the growing need for a proficient public health workforce. The School offers a Bachelor of Science in Public Health (BSPH); three master's degrees (Master of Science in Biostatistics; Master of Public Health; and Master of Health Administration); and three doctoral degrees (Biostatistics, Epidemiology, and Social & Behavioral Sciences). The Master of Public Health provides concentrations in five areas: Biostatistics, Epidemiology, Urban Health, Social & Behavioral Sciences, and Generalist. The nationally-ranked Master of Health Administration and online Executive MHA are accredited by the Commission on Accreditation of Healthcare Management Education (CAHME) and are the only CAHME-accredited programs in Tennessee. Our mission involves the translation of knowledge and research into community practice to tackle pressing societal problems of social and environmental justice, health disparities, unhealthy lifestyles, and accessible systems that support the health of individuals, families, and communities. We emphasize both discovery and application with the goal of moving "knowledge into action" locally, nationally, and globally. We are proud of the following graduates:

## ALMA MATER

Stand Firm, O Alma Mater,  
Through all the years to come;  
In days of youth and beauty  
Thy halls have been our home.  
In time of preparation  
Great lessons didst thou teach  
Till now, O Alma Mater,  
The stars we'll strive to reach.

## FIGHT SONG

Go Tigers Go,  
Go On To Victory,  
Be A Winner Thru And Thru;  
Fight Tigers, Fight  
'Cause We're Going All The Way  
Fight, Fight,  
For The Blue And Gray  
And Say — Let's  
Go Tigers Go,  
Go On To Victory.  
See Our Colors Bright And True;  
It's Fight Now Without A Fear,  
Fight Now Let's Shout A Cheer,  
Shout For Dear Old Memphis U.  
Go Tigers Go!  
Go Tigers Go!
