HISTORICAL HERITAGE

For over 100 years, the University of Memphis has been a catalyst for progress in the city, the State of Tennessee and the surrounding Mid-South region. As a doctoral degree-granting metropolitan research university, we are committed to excellence at all levels: undergraduate, graduate and professional. The University of Memphis’ roots date back to 1912 when it began as West Tennessee State Normal School and its main purpose was to educate public school teachers. While our name has changed several times throughout the years, the University has continued to be guided by the principles of academic integrity, sound management and equal opportunity. In 1968, it saw its first doctoral graduate, and since its doors first opened has conferred more than 160,000 degrees. The main campus lies in the heart of a widespread metropolis and combines the convenience of a large city with the atmosphere of a residential neighborhood. Additionally, the University consists of several satellite campuses, including Collierville, Dyersburg, Millington and Jackson, Tenn. In 2011, the University of Memphis obtained the Lambuth University campus and now offers four-year degrees at what is now the University of Memphis Lambuth. The University of Memphis awards more than 4,000 degrees annually. Divisions of the study include the College of Arts & Sciences, Fogelman College of Business & Economics, the College of Communication and Fine Arts, the College of Education, Herff College of Engineering, Kemmons Wilson School of Hospitality & Resort Management, Loewenberg College of Nursing, College of Professional & Liberal Studies, Graduate School, Cecil C. Humphreys School of Law, School of Communication Sciences and Disorders, School of Public Health and School of Health Studies. The University offers 17 bachelor's degrees in more than 250 areas of study, master's degrees in more than 54 subjects, doctoral degrees in 26 disciplines, a specialist's degree in education, the Juris Doctor and many online degree programs. Reflecting on its commitment to the highest levels of excellence in teaching and national prominence in research, the University of Memphis has five Centers of Excellence and 24 Chairs of Excellence. Its full-time faculty number more than 940. Our wireless campus educates more than 20,000 students each year. Our faculty have won national awards ranging from Emmys and Grammys to the prestigious Peabody Award. In later years, the campus has seen recent changes and additions including the opening of the Community Health Building, Centennial Place, the Hunter Harrison Memorial Bridge and the Kemmons Wilson Culinary Institute. The Cecil C. Humphreys School of Law is housed in the historic U.S. Customs House and Post Office in downtown Memphis. While instruction, service and research are our primary emphases, the University also commits its resources to the social, cultural and economic welfare of the region through partnerships with many public and private organizations. As we continue to move forward, the University of Memphis is poised to enhance its national and international reputation as one of America’s great metropolitan research universities.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is the voice of students at the University of Memphis. The SGA is comprised of three branches of government: executive, judicial (Student Court) and legislative (Senate). Elections are held in April. The SGA funds travel for individual students and organizations, including trips to conferences relating to the student’s field of academic interest and leadership conferences. It sponsors Frosh Camp to help incoming first-time freshmen establish friendships, learn about what is offered on campus, begin the adjustment to college life, and have a successful first year. The SGA also sponsors the Mr. and Ms. UoM contest during football homecoming each fall. Student senators present resolutions as bills to the Student Senate for benefit of the general student body.

2023-2024 OFFICERS/COUNCIL

President: Ansley Ecker
Vice President: Steven D. Ross II
UNDERGRADUATE CANDIDATES FOR DEGREES GRADUATION WITH DISTINCTION

Based on a grading system of “A” as 4.0, three designations of graduation honors are recognized.*

**Summa cum laude, with Highest Distinction, 3.80-4.00:** gold cord

**Magna cum laude, with High Distinction, 3.50-3.79:** crimson cord

**Cum laude, with Distinction, 3.25-3.49:** white cord

GRADUATION WITH HONORS

Students may earn Honors distinction by meeting requirements of the campus-wide University Honors Program and/or fulfilling requirements for departmental honors programs. These requirements involve a combination of special honors coursework, independent study, and usually an honors thesis or project. Students who successfully complete University Honors Program requirements are awarded their degrees with honors (e.g., University Honors or University Honors with Thesis). Students completing departmental honors programs are awarded their degree with honors in their area of concentration (e.g., With Honors in English).

**Undergraduate 4.0--4.0's** are determined by looking at an undergraduate student’s overall undergraduate studies (entire transcript/entire undergraduate career: Every undergraduate course taken must be an A or better) to determine a 4.0 GPA.

**Student Marshal(s):** Each undergraduate College and School will identify the undergraduate student(s) with the highest GPA in their overall undergraduate studies to act as its Student Marshal. Student Marshals are recognized by their Marshal’s medallion and will lead the college across the stage.

*Note: The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution’s affirmation of possession of the degree.

Because of time limitations imposed in preparing this program for commencement, listing for graduation with distinction was based on a minimum of forty-two (42) semester hours at the University of Memphis and the grade point average as of the term prior to the final semester.
Your connection to this campus does not end when you graduate.

When you join the UofM Alumni Association, you’re not just giving back to a school- you’re giving back to a community and a growing, vibrant network of fellow Tigers. Your dues mean more than a membership. They help support student scholarships, alumni programs and events, while also increasing national rankings of the University of Memphis.

The University of Memphis community is proud and diverse. We stretch across the state and around the globe. As you leave campus to share your talents with the world, the UofM Alumni Association is right beside you, keeping you connected to more than 130,000 fellow Tigers. Our mission is to engage alumni, former students and friends in three challenges: advocating the ideals of the University, advancing its welfare and fostering lifelong relationships with the institution. The Alumni Association supports academics at the University of Memphis with more than 55 student scholarships and 11 faculty and staff awards for Excellence in Teaching, Research and Advising. The annual Distinguished Alumni Awards are hosted by the Alumni Association to recognize and highlight a select number of notable alumni.

The University of Memphis honors those who graduated 50 years ago with the Half Century Club Induction. This induction occurs yearly at the beginning of the Summer Commencement ceremony. Each member receives a medallion symbolizing the significant milestone.

Current graduating UofM students who are members of the Alumni Association through the Future Alumni of Memphis (FAM) or Young Alumni programs are distinguished by wearing a Tiger Blue stole during Commencement.

The Alumni Association is pleased to provide a complimentary Gray Membership to our new graduates. Get involved by mentoring a current student, supporting a scholarship or joining an alumni club or chapter based on academics or a specific interest. Moving after graduation? Join a club in your area. Socialize with other Tigers at the annual Homecoming Parade or at a watch party. Network at one of the hundreds of events and meetings throughout the year. But most importantly, help make Memphis stronger and continue your membership in the Alumni Association!

TOGETHER, WE MAKE MEMPHIS STRONGER.

The Spring Class of 2024 at the University of Memphis is proud to honor our True Blue Donors, those exceptional graduates who have supported the Senior Class Gift program and other vital campus projects. Congratulations and thank you for paying it forward.

Today, True Blue Donors can be seen in very distinctive blue, silver and white Senior Class Gift stoles.

Betty and George Johnson, generous philanthropist, founded the Senior Class Gift Campaign in 2015 with the aim of motivating UoM seniors to make a meaningful contribution. The Johnsons pledged $1 million to establish an endowment for the Senior Class Gift Campaign. This endowment will guarantee that contributions from the future generations of Tigers will be matched, dollar for dollar. This campaign further enriches the culture of student philanthropy at the UoM and has evolved into a cherished tradition that graduating students eagerly anticipate.

Stephen Gostkowski  
Commencement Speaker

Gostkowski was born in Baton Rouge, Louisiana and played in the National Football League (NFL) for 15 seasons. He graduated from Madison Central High School in Madison, Mississippi. He was a star there having won four varsity letters in football, soccer, and three in baseball and was an All-State honoree in all three sports. He has the school’s record for longest field goal, a 55-yard kick. For most of his football career, he played with the New England Patriots and is the franchise’s all-time leading scorer. He played football at our university and was drafted by the Patriots in 2006. In his last season, he played for the Tennessee Titans. He received his Bachelor of Science in Education from the College of Education in 2006. He also holds an MBA from Indiana University.

Bradley Sowell, Soloist

Bradley Sowell, baritone, has performed lead roles in operas like Così fan tutte, Le nozze di Figaro, Trouble in Tahiti, and Ruddigore. Additionally, he has been a baritone soloist for choral masterworks with orchestra and is a frequent recitalist.

He was recently an adjunct professor at Rhodes College and was a limited-term lecturer at Georgia College & State University. He also worked as a vocal coach in Salzburg, Austria, in the summer of 2023.

He received his Doctorate of Musical Arts (Vocal Performance) from the University of Memphis, his Master of Music (Vocal Performance) from the University of South Dakota, and his Bachelor of Music Education (Choral Music Education) from Georgia College & State University.
Avron B. Fogelman  
Honorary Degree Recipient May 2024  

Fogelman is the founder and Chairman of Fogelman Properties, a privately held Memphis, Tennessee-based real estate organization that has been actively involved in the ownership, development, acquisition, and property management of multifamily apartment communities since 1963.

Mr. Fogelman was born in Memphis, Tennessee on March 1, 1940. He attended Memphis City public schools and graduated from Central High School. He received a Bachelor of Arts degree from Tulane University and attended the University of Memphis School of Law.

In addition to his decades of leadership in the multifamily housing industry, Mr. Fogelman has been very active in many philanthropic and sports endeavors. Education has been a major focus of Mr. Fogelman. In 1987, Mr. Fogelman launched the Avron B. Fogelman Scholars Program to help disadvantaged students who wish to attend the University of Memphis. Mr. Fogelman is also a past member of the State of Tennessee Board of Education and in 1998 he was elected to the public-school system’s Hall of Fame. In 2022, Mr. Fogelman received an honorary doctorate (Doctorate of Humane Letters) from Florida Atlantic University in honor of his humanitarian and philanthropic contributions to society.

Mr. Fogelman has received many civic awards, including Junior Achievement’s Master of Free Enterprises Award, Big Brothers/Big Sisters “Man of the Year” Award, Philanthropist of the Year, Civitan’s “Citizen of the Year” Award, and the NAACP Distinguished Service Award. Mr. Fogelman served as president of the Memphis Area Chamber of Commerce, chairman of the Shelby County (Tennessee) Planning Commission, and first chairman of the Memphis and Shelby County Spons Authority. He has also been chairman of the National Civil Rights Museum Awards banquet and the NAACP Freedom Awards Gala and is an NAACP Life Member. Mr. Fogelman and his brother, Robert, endowed the Morris S. Fogelman Chair of Excellence in Real Estate at the University of Memphis. For this and other contributions, the University of Memphis named its college of business and economics “The Fogelman College of Business and Economics” in honor of the Fogelman family. The home of the Tulane University basketball team is named the Avron B. Fogelman Arena in his honor, after he helped fund its renovation, and in addition, Mr. Fogelman was a member of the Tulane Board of Administrators. In 2021, the baseball field where the University of Memphis Tigers play its home games was named FedExPark-Avron Fogelman Field. The Memphis Downtown YMCA is known as the Fogelman YMCA.

Throughout his career, Mr. Fogelman has been a very visible member of the sports community. In 1978, he purchased the Class AA Memphis Chicks. During the same year, he purchased the Memphis Rogues soccer team of the North American Soccer League, a team that went on 10 win a league championship. In 1983, Mr. Fogelman became co-owner of the Kansas City Royals baseball team, a team that went on to win the 1985 World Series. Avron Fogelman served on the Board of Directors of the American League of Major League Baseball and in 1986 the players of Major League Baseball voted him the “Most Admired Owner” in the highly respected “Baseball Confidential” publication. In 1999, Mr. Fogelman was elected to the Tennessee Sports Hall of Fame, as well as being inducted into the Memphis Sports Hall of Fame in 2019. In 1986, the Tennessee Legislature, with the concurrence of the U.S. Department of Transportation, honored Mr. Fogelman by naming eastern leg of I-240 the “Avron B. Fogelman Expressway.” He has been awarded keys to the cities of New Orleans, Louisiana, Kansas City, Missouri; Ft. Myers, Florida; Memphis, Tennessee; and Shelby County, Tennessee.

The aims and purposes of The College of Arts and Sciences are (1) to provide students with a store of factual knowledge; (2) to introduce them to varying sets of principles; (3) to stimulate them to think about and to evaluate these facts and principles; and (4) to encourage them to order their own affairs and those of society with the talent, insight and discrimination which they develop. We have been privileged to pursue these aims with the following students who are candidates for the seven degrees which we offer:

**MASTER OF ARTS**

The candidates for this degree have majored in Anthropology, Criminal Justice, Earth Sciences, English, History, Philosophy, Political Science, Romance Languages, School Psychology or Sociology.

COLLEGE OF COMMUNICATION AND FINE ARTS

Dean, Dr. Ryan Fisher

The College of Communication and Fine Arts is ultimately centered on visual and audible symbols whose rational and emotional values it is the mission of the College to create and explore. In the belief that perception is largely shaped by experience, the College of Communication and Fine Arts offers a range of symbolically rendered experiences, both individual and collective, in the hope of broadening and sensitizing the perceptions of its students. Through its various professional courses of study, it prepares students to work toward careers in architecture and design, the fine or applied arts, communication & film, or the performing arts, whether as practitioners, teachers, artists, or consultants. The College offers seven degrees by which to accomplish its purposes:

### MASTER OF ARCHITECTURE

The most historic college at the University of Memphis, the College of Education is nationally accredited and seeks to prepare teachers, education related professionals, and other licensed human service professionals to become effective leaders within their chosen career. The College holds the distinction of being one of the few in the nation to meet, without a weakness, National Council for the Accreditation of Teacher Education (NCATE) standards. In addition to high-quality classroom instruction, most programs are field based. Practical experiences and opportunities for participation in exciting hands-on training and research exist at our award winning Campus School, the Barbara K. Lipman Early Childhood School and Research Institute, our local Professional Development Schools, the nationally known Center for Research in Educational Policy, and internship programs in various community businesses and agencies, all where experts in the student’s field of study and University faculty work together to provide valuable on-the-job experience. The College offers off-campus courses at our Collierville, Jackson, and Dyersburg campuses and is a state leader in alternative online degree and licensure programs. Undergraduate programs administered by the College lead to the Bachelor of Science in Education and consist of three basic areas of work: General Education, Professional study, and study within one of 12 areas of Specialty. It is the work within a specialty that determines a student’s major. Graduate level studies at the College include 29 Master’s and 17 Doctoral degree programs. And, in administering 33 teacher licensure programs, The College of Education is the largest producer of teachers in Tennessee.

The College of Health Sciences provides students with a top-tier education focused on the fundamental principles of health, exercise, nutrition, and physical activity, while equipping students with the cutting-edge knowledge and skills needed to fulfill leadership roles in their chosen area of specialty. This often includes pursuing graduate study in the allied health-related sciences (e.g., physical therapy, occupational therapy, physician assistant, nutrition, and physical education) or PhD study in related areas. The Dietetics and Clinical Nutrition programs are fully accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). Faculty members within CHS are leaders in their respective disciplines and oversee state-of-the-art research programs in the health sciences. Six undergraduate, seven Master of Science, and two Doctor of Philosophy degree programs are offered within CHS. Minors in Nutrition, Health & Wellness; Personal Training; and Medical Assisting are also offered.

COLLEGE OF PROFESSIONAL & LIBERAL STUDIES

Dean, Joanne Gikas, EdD

The College of Professional & Liberal Studies, formerly University College, provides interdisciplinary educational opportunities in a flexible, relevant format for a diverse community of traditional and non-traditional adult learners. Established in 1975, the college is an innovator of new programs, a catalyst for interdisciplinary and multidisciplinary efforts throughout the campus, and a facilitator for the community to interact with the University. Students may also take advantage of the unique opportunity to petition for college credit for the knowledge, training, and skills acquired through professional experiences. The college offers individualized programs of study, allowing students to combine several areas of emphases in order to design their own degree. Additionally, we offer interdisciplinary degrees not traditionally offered by other colleges on campus. These include a Bachelor of Professional Studies and a Bachelor of Liberal Studies in over 20 concentrations including Child Development & Family Studies, Merchandising, Legal Studies, and also a Bachelor of Science in Commercial Aviation. Our Graduate Program offers a completely online Master of Professional Studies program with concentrations in Strategic Leadership, Human Resources Leadership, and Training and Development. Student may also design their own graduate individualized program of study through our Master of Arts in Liberal Studies degree as well as a Doctor of Liberal Studies degree.

MASTER OF ARTS IN LIBERAL STUDIES

The candidates have completed a required core of Liberal Studies courses, an interdisciplinary Coordinated Study of Liberal Studies courses from the College of Arts & Sciences and the College of Communication and Fine Arts, and a Special Project in Liberal Studies.

FOGelman COLlege of BUSINESS & ECONOMICS

Dean, Bobby Garrett, PhD

The Fogelman College of Business & Economics (FCBE), an AACSB accredited institution, comprises six departments (School of Accountancy; Economics; Finance, Insurance and Real Estate; Management Information Systems; Management; and Marketing and Supply Chain Management) and academic programs at all levels – undergraduate, masters and doctoral. Fogelman College’s undergraduate, masters and doctoral enrollments are 2,620, 742 and 78, respectively, and it has 109 full-time and part-time faculty members. Approximately 90% of full-time faculty members hold doctoral degrees. The Fogelman College differentiates itself by providing a unique Complete Professional Program that holistically prepares students with the tools to achieve both personal and professional excellence. Through the Avron B. Fogelman Professional Development Center, FCBE provides training on ethics, healthy living habits, business etiquette, resume building, professionalism, philanthropic activities and more. In addition to the professional development differentiator, Fogelman College is also proud to distinguish itself based on the customized development of MBAs. Fogelman College offers a comprehensive portfolio of graduate programs including five different tracks to earn a MBA. These programs include the Customer-Driven MBA, International MBA, Executive MBA, Online MBA and Professional MBA. Furthermore, Fogelman College works very closely with Memphis area companies, many of them Fortune 500, to offer students invaluable hands-on learning experiences from professionals in these industries.

HERFF COLLEGE OF ENGINEERING

Dean, Okenuwa Okoli, PhD

The mission of the College of Engineering is: to provide quality education, research, and service that responds to the needs and challenges of the Mid-South region; to promote the knowledge, skills, ethics, creativity, and critical thinking necessary for professional competence and lifelong learning, including an international perspective and a social awareness and to conduct quality scholarship and research across the College, including world-class research in selected areas. The following are the degrees offered with the appropriate concentrations within the respective areas:

MASTER OF SCIENCE

The candidates for this degree have majored in Biomedical Engineering, Civil Engineering, Electrical and Computer Engineering, Engineering Technology or Mechanical Engineering.

Saeed Mousa Ismail Abudoush
BCE, 2016, University of Jordan

Aseeel Zaid Alamri
BS, 2019, University of Memphis

Darwin Ramirez Alvarez
BS, 2021, University of Memphis

Chaitanya Venkata Shivaji Pavan Atluri

The Kemmons Wilson School of Hospitality & Resort Management’s enduring ambition is to develop global hospitality and sport management leaders that excel in operations and senior corporate positions. The mission is to produce excellent leaders that will be thoroughly prepared to thrive in the challenging global environment of the 21st century hospitality industry. The mission is accomplished through pursuing four major priorities: Student Learning achieved through a contemporary curriculum that is enhanced with experiential learning, study abroad programs, leadership and team-building opportunities; Industry Engagement built through strategic partnerships for extending student placement, faculty development and curriculum improvements; Discovery through student and faculty scholarship aimed at disseminating and sharing knowledge and information for the benefit of the global hospitality community; and, Resource Development for continuously improving learning, scholarship, and service opportunities for students and faculty. The School’s values emanate from the Kemmons Wilson philosophy which, foster a positive attitude and confidence developed through an array of competencies and hard work; instills entrepreneurial spirit achieved through seizing opportunities, intelligent risk-taking and dedication to work and capital ideas; maintains a life-long relationships through trust, honesty, and integrity; and by living a wholesome lifestyle that is achieved through a balanced approach to professional and personal commitments.

The Loewenberg College of Nursing (LCON) provides accessible and innovative higher education by preparing leaders who promote health in the global community through excellent teaching, rigorous research and collaborative practice/service. The Loewenberg College of Nursing (both undergraduate and graduate programs) is fully accredited by the Commission for Collegiate Nursing Education. The high quality education is reflected in graduates’ 95%-100% NCLEX pass rates and sought by world-renowned clinical settings. With advanced preparation for practice as family nurse practitioners, nurse educators, or nurse administrators, our MSN graduates are prepared to shape the future of healthcare in our nation. Faculty of the LCON are proud to present the following graduates who have met all of the requirements for either the bachelor of science (BSN) or the master of science in nursing (MSN) degree.

The School of Communication Sciences and Disorders promotes effective communication and function of related systems for all individuals through excellence in education, research, and practice. The school houses two nationally ranked and accredited professional graduate programs, a research-focused PhD, and an undergraduate program. The master's degree in speech-language pathology (M.A.) and the clinical doctorate in audiology (Au. D.) emphasize theoretical and applied aspects of communication disorders and prepare graduates for clinical careers within the fields and for further graduate study. At the research level, the Doctor of Philosophy (Ph.D.) program emphasizes the theoretical and applied aspects of communication disorders that prepare graduates for academic research and teaching positions within the field and for postdoctoral graduate study. The Bachelor of Arts (B.A.) in American Sign Language and Deaf Studies prepares students to be advocates of the language, the culture, and people who are Deaf or Hard of Hearing. We are proud of the following graduates:

SCHOOL OF PUBLIC HEALTH

Dean, Dr. Ashish Joshi

The School of Public Health, nationally accredited by the Council on Education for Public Health, provides both graduate and undergraduate education, practicum experience, and research training to develop capabilities and address the growing need for a proficient public health workforce. The School offers a Bachelor of Science in Public Health (BSPH); three master's degrees (Master of Science in Biostatistics; Master of Public Health; and Master of Health Administration); and three doctoral degrees (Biostatistics, Epidemiology, and Social & Behavioral Sciences). The Master of Public Health provides concentrations in five areas: Biostatistics, Epidemiology, Urban Health, Social & Behavioral Sciences, and Generalist. The nationally-ranked Master of Health Administration and online Executive MHA are accredited by the Commission on Accreditation of Healthcare Management Education (CAHME) and are the only CAHME-accredited programs in Tennessee. Our mission involves the translation of knowledge and research into community practice to tackle pressing societal problems of social and environmental justice, health disparities, unhealthy lifestyles, and accessible systems that support the health of individuals, families, and communities. We emphasize both discovery and application with the goal of moving “knowledge into action” locally, nationally, and globally. We are proud of the following graduates:

MASTER OF HEALTH ADMINISTRATION

The candidates for this degree have majored in Public Health with emphasis in the areas of Biostatistics, Epidemiology, Environmental Health, Health Systems Management or Social and Behavioral Sciences.

TIGERLIFE COMPLETION AWARDS

TigerLIFE (Learning Independence, Fostering Employment & Education)

Director, Dr. Chrisann Schiro-Geist

The University of Memphis TigerLIFE Postsecondary Education Program is a 60-hour program culminating in a completion award in Career and Community Studies. Participation in the Tiger LIFE program provides students with an option for continuing their education beyond high school to increase employment opportunities.

The Inclusive Higher Education (IHE) program provides individualized Programs of Study in the areas of academic, social, vocational and independence for students ages 18-29 with intellectual disabilities. At the heart of TigerLIFE is person-centered planning model that uses the Systems Approach to Placement.

The TigerLIFE program is administered by the University of Memphis Institute on Disability (UMID) whose purpose is to assist people with physical and developmental disabilities in finding meaningful Competitive employment and serves as a community rehabilitation provider (CRP) for the mid-south regional area vocational rehabilitation departments in Arkansas, Mississippi, and Tennessee. TigerLIFE is a federally recognized Comprehensive Transition Program.

ALMA MATER

Stand Firm, O Alma Mater,
Through all the years to come;
In days of youth and beauty
Thy halls have been our home.
In time of preparation
Great lessons didst thou teach
Till now, O Alma Mater,
The stars we'll strive to reach.

FIGHT SONG

Go Tigers Go,
Go On To Victory,
Be A Winner Thru And Thru;
Fight Tigers, Fight
‘Cause We’re Going All The Way
Fight, Fight,
For The Blue And Gray
And Say — Let’s
Go Tigers Go,
Go On To Victory.
See Our Colors Bright And True;
It’s Fight Now Without A Fear,
Fight Now Let’s Shout A Cheer,
Shout For Dear Old Memphis U.
Go Tigers Go!
Go Tigers Go!
