HISTORICAL HERITAGE

For the last 108 years, the University of Memphis has been a catalyst for progress in the city, the State of Tennessee and the surrounding Mid-South region. As a doctoral degree-granting metropolitan research university, we are committed to excellence at all levels: undergraduate, graduate and professional. The University of Memphis’ roots date back to 1912 when it began as West Tennessee State Normal School and its main purpose was to educate public school teachers. While our name has changed several times throughout the years, the University has continued to be guided by the principles of academic integrity, sound management and equal opportunity. In 1968, it saw its first doctoral graduate, and since its doors first opened has conferred more than 160,000 degrees. The main campus lies in the heart of a widespread metropolis and combines the convenience of a large city with the atmosphere of a residential neighborhood. Additionally, the University consists of several satellite campuses, including Collierville, Dyersburg, Millington and Jackson, Tenn. In 2011, the University of Memphis obtained the Lambuth University campus and now offers four-year degrees at what is now the University of Memphis Lambuth. The University of Memphis awards more than 4,000 degrees annually. Divisions of the study include the College of Arts & Sciences, Fogelman College of Business & Economics, the College of Communication and Fine Arts, the College of Education, Herff College of Engineering, Kemmons Wilson School of Hospitality & Resort Management, Loewenberg College of Nursing, College of Professional & Liberal Studies, Graduate School, Cecil C. Humphreys School of Law, School of Communication Sciences and Disorders, School of Public Health and School of Health Studies. The University offers 17 bachelor’s degrees in more than 250 areas of study, master’s degrees in more than 54 subjects, doctoral degrees in 26 disciplines, a specialist’s degree in education, the Juris Doctor and many online degree programs. Reflecting on its commitment to the highest levels of excellence in teaching and national prominence in research, the University of Memphis has five Centers of Excellence and 24 Chairs of Excellence. Its full-time faculty number more than 940. Our wireless campus educates more than 20,000 students each year. Our faculty have won national awards ranging from Emmys and Grammys to the prestigious Peabody Award. In later years, the campus has seen recent changes and additions including the opening of the Community Health Building, Centennial Place, the Hunter Harrison Memorial Bridge and the Kemmons Wilson Culinary Institute. The Cecil C. Humphreys School of Law is housed in the historic U.S. Customs House and Post Office in downtown Memphis. While instruction, service and research are our primary emphases, the University also commits its resources to the social, cultural and economic welfare of the region through partnerships with many public and private organizations. As we continue to move forward, the University of Memphis is poised to enhance its national and international reputation as one of America’s great metropolitan research universities.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is the voice of students at the University of Memphis. The SGA is comprised of three branches of government: executive, judicial (Student Court) and legislative (Senate). Elections are held in April. The SGA funds travel for individual students and organizations, including trips to conferences relating to the student’s field of academic interest and leadership conferences. It sponsors Frosh Camp to help incoming first-time freshmen establish friendships, learn about what is offered on campus, begin the adjustment to college life, and have a successful first year. The SGA also sponsors the Mr. and Ms. UoM contest during football homecoming each fall. Student senators present resolutions as bills to the Student Senate for benefit of the general student body.

2020 OFFICERS/COUNCIL

President: Antonio Scott
Vice-President: Desiree Dyson
Speaker of Senate: Hannah Nelson
Chief Justice: Allison D. Banks
**ACADEMIC DRESS**

The following information is to help our visitors identify the costumes seen in the commencement procession: Academic dress evolved from religious habit worn by faculty in the ancient universities who were members of religious orders. For centuries these gowns distinguished students from their fellow citizens; sometimes this distinction in dress symbolized unfortunate controversies between “town and gown.” The European habit of using academic robes came to this country in the eighteenth century with the founding of what is now Columbia University. In 1895, American universities and colleges standardized their styles of academic costumes, and this system, with occasional modifications, is still in force. Today, the various colors, trimmings, and patterns of gown, hood, and cap are all traditional and symbolize both the degree and field of learning. **GOWNS:** American academic gowns are usually of black material, and their pattern varies with the degree held. The bachelor gowns are relatively simple in design with a closed front and long, pointed, open sleeves. Master's gowns have an open front with long, closed sleeves, the arms extending through a slit at the elbow, giving the appearance of short sleeves. Doctoral gowns are the most elaborate with velvet panels down the open front and three velvet bars on the bell-shaped sleeves. **HOODS:** The hoods, differing in length for the three degrees (bachelor’s, master's, and doctor’s), are lined with the colors of the institution that granted the degree. Hoods are also trimmed with the color that heralds the major field of learning. **CAPS:** A square mortarboard is the approved headgear. The tassel, fastened to the middle point of the top of the cap, is black or the color appropriate to the subject; it may be gold if the holder has a doctor's degree. The University of Memphis has adopted the practice of having candidates for the bachelor degree wear the tassels on the right front side before degrees are conferred and shift them to the left at the moment when the degrees are awarded to them. Following is a list of the hood and tassel colors that represent several categories of learning:

All hoods are edged with the above colors. These same colors may be used for the facing and sleeve bars of doctoral gowns and tassels on bachelors’ and masters’ caps. The lining of the hood indicates the university granting the degree—for The University of Memphis, blue and gray.
UNDERGRADUATE CANDIDATES FOR DEGREES GRADUATION WITH DISTINCTION

Based on a grading system of “A” as 4.0, three designations of graduation honors are recognized. *

Summa cum laude, with Highest Distinction, 3.80-4.00: gold cord
Magna cum laude, with High Distinction, 3.50-3.79: crimson cord
Cum laude, with Distinction, 3.25-3.49: white cord

GRADUATION WITH HONORS

Students may earn Honors distinction by meeting requirements of the campus-wide University Honors Program and/or fulfilling requirements for departmental honors programs. These requirements involve a combination of special honors coursework, independent study, and usually an honors thesis or project. Students who successfully complete University Honors Program requirements are awarded their degrees with honors (e.g., University Honors or University Honors with Thesis). Students completing departmental honors programs are awarded their degree with honors in their area of concentration (e.g., With Honors in English).

Undergraduate 4.0–4.0’s are determined by looking at an undergraduate student’s overall undergraduate studies (entire transcript/entire undergraduate career: Every undergraduate course taken must be an A or better) to determine a 4.0 GPA.

Student Marshal(s): Each undergraduate College and School will identify the undergraduate student(s) with the highest GPA in their overall undergraduate studies to act as its Student Marshal. Student Marshals are recognized by their Marshal’s medallion and will lead the college across the stage.

*Note: The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution’s affirmation of possession of the degree.

Because of time limitations imposed in preparing this program for commencement, listing for graduation with distinction was based on a minimum of forty-two (42) semester hours at the University of Memphis and the grade point average as of the term prior to the final semester.
IN CELEBRATION OF OUR FALL CLASS OF 2019 TRUE BLUE DONORS

The University of Memphis is a community that is Driven by Doing. We would like to recognize our Fall Class of 2019 students who have contributed to the Senior Class Gift program or other important campus initiatives as True Blue Donors.

The Senior Class Gift Campaign was established by philanthropist George and Betty Johnson. Thanks to The Johnsons’ matching donations and our altruistic students, over $79,000 in scholarship funds has been provided to 9 incoming freshmen since 2015. The Senior Class Gift Campaign was established to build on the culture of student philanthropy. As you can see, our seniors have not disappointed.

True Blue Donors who donated to the Senior Class Gift program in honor of their graduation year are distinguished by wearing silver and blue Senior Class Gift stoles. Thank you for donating to the University and congratulations on graduating!
Your connection to this campus does not end when you graduate.

When you join the UofM Alumni Association, you’re not just giving back to a school— you’re giving back to a community and a growing, vibrant network of fellow Tigers. Your dues mean more than a membership. They help support student scholarships, alumni programs and events, while also increasing national rankings of the University of Memphis.

The University of Memphis community is proud and diverse. We stretch across the state and around the globe. As you leave campus to share your talents with the world, the UofM Alumni Association is right beside you, keeping you connected to more than 130,000 fellow Tigers. Our mission is to engage alumni, former students and friends in three challenges: advocating the ideals of the University, advancing its welfare and fostering lifelong relationships with the institution. The Alumni Association supports academics at the University of Memphis with more than 55 student scholarships and 11 faculty and staff awards for Excellence in Teaching, Research and Advising. The annual Distinguished Alumni Awards are hosted by the Alumni Association to recognize and highlight a select number of notable alumni.

The University of Memphis honors those who graduated 50 years ago with the Half Century Club Induction. This induction occurs yearly at the beginning of the Summer Commencement ceremony. Each member receives a medallion symbolizing the significant milestone.

Current graduating UofM students who are members of the Alumni Association through the Future Alumni of Memphis (FAM) or Young Alumni programs are distinguished by wearing a Tiger Blue stole during Commencement.

The Alumni Association is pleased to provide a complimentary Gray Membership to our new graduates. Get involved by mentoring a current student, supporting a scholarship or joining an alumni club or chapter based on academics or a specific interest. Moving after graduation? Join a club in your area. Socialize with other Tigers at the annual Homecoming Parade or at a watch party. Network at one of the hundreds of events and meetings throughout the year. But most importantly, help make Memphis stronger and continue your membership in the Alumni Association!

THE SCHOOL OF COMMUNICATION SCIENCES & DISORDERS

Dean, Linda Jarmulowicz, PhD

The School of Communication Sciences and Disorders strives to instill students with the fundamentals of communication processes and disorders that provoke critical thinking and problem solving that leads to a love of learning. At the applied level, the master's degree, in speech-language pathology (M.A.) and the clinical doctorate in Audiology (Au.D.) emphasize theoretical and applied aspects of communication disorders and prepare graduates for clinical careers within the fields and for further graduate study. At the research level, the doctor of philosophy (Ph.D.) program emphasizes the theoretical and applied aspects of communication disorders that prepare graduates for academic research and teaching positions within the field and for postdoctoral graduate study. The program is accredited by the American Speech-Language-Hearing Association. We are proud of the following graduates:

SCHOOL OF PUBLIC HEALTH

Dean, James Garney, PhD

The School of Public Health provides graduate education, community practicum experience, and research training to develop students’ capabilities and address the growing need for a proficient public health workforce. The School offers two master’s degrees. The Master of Public Health provides concentrations in five core disciplines: biostatistics, environmental health, epidemiology, health systems management, and social and behavioral sciences. The Master of Health Administration degree is one of only 70 programs accredited by the Commission on Accreditation of Healthcare Management Education (CAHME). Our mission involves the translation of knowledge and research into community practice to tackle pressing societal problems of social and environmental justice, health disparities, unhealthy lifestyles, and accessible systems that support the health of individuals, families, and communities. We emphasize both discovery and application with the goal of moving “knowledge into action” locally, nationally and globally. We are proud of the following graduates:

MASTER OF PUBLIC HEALTH

The candidates for this degree have majored in Public Health with emphasis in the areas of Biostatistics, Epidemiology, Environmental Health, Health Systems Management or Social and Behavioral Health.

The School of Health Studies (SHS) provides students with a top-tier education focused on the fundamental principles of health, exercise, nutrition, and physical activity, while equipping students with the cutting-edge knowledge and skills needed to fulfill leadership roles in their chosen area of specialty. This often includes pursuing graduate study in the allied health-related sciences (e.g., physical therapy, occupational therapy, physician assistant, nutrition, and physical education) or PhD study in related areas. The Dietetics and Clinical Nutrition programs are fully accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). Faculty members within SHS are leaders in their respective disciplines and oversee state-of-the-art research programs in the health sciences. Five undergraduate and six graduate degree programs are offered within SHS. A graduate certificate in Faith and Health is offered in partnership with Church Health, as is a graduate certificate in Sport Nutrition and Dietary Supplementation. A minor in Medical Assisting is also offered. Faculty members of the SHS are proud to present the following graduates who have met all of the requirements for the bachelor of science (BS), the bachelor of science in education (BSEd), or the master of science (MS) degree:

**MASTER OF SCIENCE**

The candidates for this degree have majored in the areas of Clinical Nutrition, Environmental Nutrition, Exercise, Sport, and Movement Sciences, Health Promotion, Nutrition Science or Physical Education Teacher Education.

LOEWENBERG COLLEGE OF NURSING

Dean, Lin Zhan, PhD

The Loewenberg College of Nursing (LCON) provides accessible and innovative higher education by preparing leaders who promote health in the global community through excellent teaching, rigorous research and collaborative practice/service. The Loewenberg College of Nursing (both undergraduate and graduate programs) is fully accredited by the Commission for Collegiate Nursing Education. The high quality education is reflected in graduates’ 95%-100% NCLEX pass rates and sought by world-renowned clinical settings. With advanced preparation for practice as family nurse practitioners, nurse educators, or nurse administrators, our MSN graduates are prepared to shape the future of healthcare in our nation. Faculty of the LCON are proud to present the following graduates who have met all of the requirements for either the bachelor of science (BSN) or the master of science in nursing (MSN) degree.

BACHELOR OF SCIENCE IN NURSING (Continued)
The Kemmons Wilson School of Hospitality & Resort Management’s enduring ambition is to develop global hospitality and sport management leaders that excel in operations and senior corporate positions. The mission is to produce excellent leaders that will be thoroughly prepared to thrive in the challenging global environment of the 21st century hospitality industry. The mission is accomplished through pursuing four major priorities: Student Learning achieved through a contemporary curriculum that is enhanced with experiential learning, study abroad programs, leadership and team-building opportunities; Industry Engagement built through strategic partnerships for extending student placement, faculty development and curriculum improvements; Discovery through student and faculty scholarship aimed at disseminating and sharing knowledge and information for the benefit of the global hospitality community; and, Resource Development for continuously improving learning, scholarship, and service opportunities for students and faculty. The School’s values emanate from the Kemmons Wilson philosophy which, foster a positive attitude and confidence developed through an array of competencies and hard work; instills entrepreneurial spirit achieved through seizing opportunities, intelligent risk-taking and dedication to work and capital ideas; maintains a life-long relationships through trust, honesty, and integrity; and by living a wholesome lifestyle that is achieved through a balanced approach to professional and personal commitments.

The College of Communication and Fine Arts is ultimately centered on visual and audible symbols whose rational and emotional values it is the mission of the College to create and explore. In the belief that perception is largely shaped by experience, the College of Communication and Fine Arts offers a range of symbolically rendered experiences, both individual and collective, in the hope of broadening and sensitizing the perceptions of its students. Through its various professional courses of study, it prepares students to work toward careers in architecture and design, the fine or applied arts, communication, or the performing arts, whether as practitioners, teachers, artists, or consultants. The College offers four degrees by which to accomplish its purposes:

HERFF COLLEGE OF ENGINEERING

Dean, Richard Weigard, PhD

The mission of the College of Engineering is: to provide quality education, research, and service that responds to the needs and challenges of the Mid-South region; to promote the knowledge, skills, ethics, creativity, and critical thinking necessary for professional competence and lifelong learning, including an international perspective and a social awareness and to conduct quality scholarship and research across the College, including world-class research in selected areas. The following are the degrees offered with the appropriate concentrations within the respective areas:

MASTER OF SCIENCE

The candidates for this degree have majored in Biomedical Engineering, Civil Engineering, Electrical and Computer Engineering, Engineering Technology or Mechanical Engineering.

Tanvir Ahamed
B.Sc., 2015, Shahjalal University of Science and Technology

Bassam Nawas Bahhur
BS, 2018, University of Memphis

Bhuvaneshwari Bhaskaran

**BACHELOR OF SCIENCE IN ENGINEERING TECHNOLOGY** (Continued)
The College of Professional & Liberal Studies, formerly University College, provides interdisciplinary educational opportunities in a flexible, relevant format for a diverse community of traditional and non-traditional adult learners. Established in 1975, the college is an innovator of new programs, a catalyst for interdisciplinary and multidisciplinary efforts throughout the campus, and a facilitator for the community to interact with the University. Students may also take advantage of the unique opportunity to petition for college credit for the knowledge, training, and skills acquired through professional experiences. The college offers individualized programs of study, allowing students to combine several areas of emphases in order to design their own degree. Additionally, we offer interdisciplinary degrees not traditionally offered by other colleges on campus. These include a Bachelor of Professional Studies and a Bachelor of Liberal Studies in over 20 concentrations including Child Development & Family Studies, Merchandising, Legal Studies, and also a Bachelor of Science in Commercial Aviation. Our Graduate Program offers a completely online Master of Professional Studies program with concentrations in Strategic Leadership, Human Resources Leadership, and Training and Development. Student may also design their own graduate individualized program of study through our Master of Arts in Liberal Studies degree as well as a Doctor of Liberal Studies degree.

MASTER OF ARTS IN LIBERAL STUDIES

The candidates have completed a required core of Liberal Studies courses, an interdisciplinary Coordinated Study of Liberal Studies courses from the College of Arts & Sciences and the College of Communication and Fine Arts, and a Special Project in Liberal Studies.

MASTER OF PROFESSIONAL STUDIES

The Master of Professional Studies is an interdisciplinary graduate degree in the social sciences and professions with concentrations in Strategic Leadership, Human Resources Leadership, and Training and Development. The degree includes coursework in leadership, communication, strategic planning and assessment, organizational structure, e-learning technologies, management and design of training materials and research/data analysis.

FOGELMAN COLLEGE OF BUSINESS & ECONOMICS

Dean, Damon M. Fleming, PhD

The Fogelman College of Business & Economics (FCBE), an AACSB accredited institution, comprises six departments (School of Accountancy; Economics; Finance, Insurance and Real Estate; Management Information Systems; Management; and Marketing and Supply Chain Management) and academic programs at all levels – undergraduate, masters and doctoral. Fogelman College’s undergraduate, masters and doctoral enrollments are 2,620, 742 and 78, respectively, and it has 109 full-time and part-time faculty members. Approximately 90% of full-time faculty members hold doctoral degrees. The Fogelman College differentiates itself by providing a unique Complete Professional Program that holistically prepares students with the tools to achieve both personal and professional excellence. Through the Avron B. Fogelman Professional Development Center, FCBE provides training on ethics, healthy living habits, business etiquette, resume building, professionalism, philanthropic activities and more. In addition to the professional development differentiator, Fogelman College is also proud to distinguish itself based on the customized development of MBAs. Fogelman College offers a comprehensive portfolio of graduate programs including five different tracks to earn a MBA. These programs include the Customer-Driven MBA, International MBA, Executive MBA, Online MBA and Professional MBA. Furthermore, Fogelman College works very closely with Memphis area companies, many of them Fortune 500, to offer students invaluable hands-on learning experiences from professionals in these industries.

THE GRADUATE SCHOOL

Dean, Robin Poston, PhD

The Graduate School of the University of Memphis is the center of advanced study and research within the University. The basic objectives of The Graduate School are: (a) to preserve and disseminate knowledge now available in the humanities, the sciences, and the various professional areas represented by the departmental graduate faculties; (b) to extend knowledge through basic research; and (c) to prepare men and women to assume a more responsible and useful role in society.

The most historic college at the University of Memphis, the College of Education is nationally accredited and seeks to prepare teachers, education related professionals, and other licensed human service professionals to become effective leaders within their chosen career. The College holds the distinction of being one of the few in the nation to meet, without a weakness, National Council for the Accreditation of Teacher Education (NCATE) standards. In addition to high-quality classroom instruction, most programs are field based. Practical experiences and opportunities for participation in exciting hands-on training and research exist at our award winning Campus School, the Barbara K. Lipman Early Childhood School and Research Institute, our local Professional Development Schools, the nationally known Center for Research in Educational Policy, and internships programs in various community businesses and agencies, all where experts in the student’s field of study and University faculty work together to provide valuable on-the-job experience. The College offers off-campus courses at our Collierville, Jackson, and Dyersburg campuses and is a state leader in alternative online degree and licensure programs. Undergraduate programs administered by the College lead to the Bachelor of Science in Education and consist of three basic areas of work: General Education, Professional study, and study within one of 12 areas of Specialty. It is the work within a specialty that determines a student’s major. Graduate level studies at the College include 29 Master’s and 17 Doctoral degree programs. And, in administering 33 teacher licensure programs, The College of Education is the largest producer of teachers in Tennessee.

The faculty of the School of Law is proud to present for conferral of the Juris Doctor degree the men and women who have successfully met all of the requirements for graduation as established by the School of Law. These graduates are not only prepared to enter into the practice of law, but they also are prepared for a lifetime of leadership in the legal profession. The School of Law endeavors to instill in each graduate a sense of responsibility to improve the access to legal services for all persons and every segment of society. Above all, the School of Law endeavors to impress upon each graduate the necessity for maintaining the high ethical standards that are expected of lawyers in today’s society. The graduates are entering a profession that is vital to the preservation of a free and democratic society, and they are well prepared for the challenges that lie ahead.

NATIONAL ANTHEM

Oh, say can you see by the dawn’s early light
What so proudly we hail’d at the twilight’s last gleaming,
Whose broad stripes and bright stars; through the perilous fight
O’er the ramparts we watch’d were so gallantly streaming?
And the rockets’ red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
Oh, say does that Star-Spangled Banner yet wave
O’er the land of the free and the home of the brave?

ALAMA MATER

Stand Firm, O Alma Mater,
Through all the years to come;
In days of youth and beauty
Thy halls have been our home.
In time of preparation
Great lessons didst thou teach
Till now, O Alma Mater,
The stars we’ll strive to reach.
FIGHT SONG

Go Tigers Go,
Go On To Victory,
Be A Winner Thru And Thru;
Fight Tigers, Fight
‘Cause We’re Going All The Way
Fight, Fight,
For The Blue And Gray
And Say — Let’s
Go Tigers Go,
Go On To Victory.

See Our Colors Bright And True;
It’s Fight Now Without A Fear,
Fight Now Let’s Shout A Cheer,
Shout For Dear Old Memphis U.

Go Tigers Go!
Go Tigers Go!
