College of Professional & Liberal Studies Approval

Students majoring in any department within the University may enhance their academic experience through College of Professional & Liberal Studies minors in Alcohol and Drug Abuse Services, American Studies, Child Development, and Religion in Society. If a College of Professional & Liberal Studies student chooses to complete a minor, courses within the minor must differ substantially from courses within the student's concentration or coordinated study. A College of Professional & Liberal Studies student may be certified as having a minor only if at least twelve (12) credit hours taken for the minor are not included in the concentration or coordinated study.

Once you complete your Minor Application, forward it for approval via email to the correct college's Undergraduate Graduation Analyst. Once signed, return it to our college graduation analyst, Ms. Jackie Cole, who will apply it to your degree.
