In response to the coronavirus (COVID-19) situation, the Student Recreation and Fitness Center staff is taking extra precautions to keep our guests safe. Along with the rest of The University of Memphis, we are observing an additional week of Spring Break March 16-22, when we will remain open during the same modified hours as the first week of Spring Break, as follows:

- Mon.-Fri., March 16-20: 6:30 a.m.-7 p.m. (Pool 1-6 p.m.)
- Sat., March 21: 10 a.m.-6 p.m. (Pool 12-5 p.m.)
- Sun., March 22: 1-6 p.m. (Pool 1-5 p.m.)

All activity areas within the Recreation Center will be open during these hours, as usual. However, group fitness classes, group swim lessons, CPR, lifeguard, and WSI classes, intramurals and club sports, and the smoothie bar will not be in operation through March 22. At that time, we will reassess the current conditions and announce our decisions about programming and operations schedules going forward.

While we do plan to remain open at this time, we are taking extra precautions, in accordance with CDC guidelines, to ensure our patrons’ safety. As always, we take the health and safety of our students and other members very seriously and we are increasing our already rigorous cleaning and sanitation routines as follows:

- Additional, detailed cleaning and sanitizing of exercise areas and equipment, counters, floors, doors, handles, hand scan stations, and other areas and surfaces
- Additional hand sanitizing stations
- Providing antibacterial disinfectant wipes and encouraging patrons to be extra vigilant in wiping down equipment and exercise areas before and after use (a practice which we have always asked our patrons to observe)

We will continue to assess the risks presented by the coronavirus and will post updated information as it becomes available. As always, take care to thoroughly wash your hands, observe other good health and hygiene practices, and, if you are experiencing any symptoms of illness, please stay home and contact your health care provider.

During this time of modified operations, remember that we have online Yoga and Boot Camp classes available for you to enjoy at home at https://www.memphis.edu/cris/wellness/videos.php.
