Swim the Mississippi

Dates: September 4-December 7

The Mississippi River is the second longest river in the United States. In Memphis, the river is both an attraction and a thoroughfare for commerce and transportation. It acts as the western border of Memphis.

We want to challenge you to swim the Mississippi, or at least a section of it! The Memphis section is 24 miles long and that is our goal for this challenge!

Free for Students-Members-Early Bird Participants-Staff
