

Welcome Reception for New CS Freshmen

Friday, September 9 | 2:30 – 4:00 PM | Dunn Hall 351

Join us to learn more about the exciting field of Computer Science! In addition to gaining an overview of the computer science undergraduate program, you will have the opportunity to meet other students in the program and view demonstrations on software development presented by the ACM (Association for Computing Machinery). Refreshments will be served.

Department of Computer Science
