Wanted:

Java Programming Tutor

Location: Collierville, TN (In person). Can meet at Collierville Public Library.

Pay: $75/Hour

Hours per week: Varies by week, approx. 4-5 per week, negotiable if you have final exams or are out of town for upcoming holidays.

Qualifications: Prefer someone who's taken both Java I and II with grade of A or B. Some real world Java programming experience or being an excellent problem solver is helpful. Someone who can learn about what I'd like to program and help do it.

Duration: Unknown but most likely 2-4 months from start date, possibly longer.

Add'l Info: No particular course or curriculum is involved. I have my own scenarios I'd like to solve. They are general in nature. No out-of-the-ordinary or extremely high level coding is involved.

Contact: Jeff Bandy, call 870-227-1911, or email jeffsbandy@yahoo.com
