Mark DeRuiter, MBA, PhD, CCC-A/SLP, F-ASHA

October 17th, 2022

6:30pm-8:30pm

Ethics in Clinical Supervision

Biography:

Mark DeRuiter, MBA, PhD, CCC-A/SLP, F-ASHA is professor and director of the Clinical Science Doctoral Program in Speech-Language Pathology in the Department of Communication Science and Disorders at the University of Pittsburgh. Dr. DeRuiter is dually certified in Audiology and Speech-Language Pathology. He is a Fellow of the American Speech-Language-Hearing Association and the American Academy of Audiology. His clinical and research interests include auditory processing disorders and issues in clinical education.

Abstract:

This session is designed to provide the mentoring clinician with knowledge, skills and tools when they are confronted with challenging moments in the clinical education process. Ethics in supervision will be addressed through both lecture and case studies.

Learner Outcomes:

At the conclusion of this presentations, participants will be able to:

- Recognize common ethical dilemmas in clinical supervision
- List three strategies for engaging in difficult conversations with developing clinicians
- Recognize when assistance is needed from university or human resource partners

Time Ordered Agenda:

630-640 Disclosures and Introduction

640-655 Examining a model for clinical education

655-710 Moving clinical education models into real-world ethical challenges

710-800 Ethical issues in clinical education and case studies
