

CURRICULUM VITAE

Name: Jani Johnson, Au.D., Ph.D.	Department: Communication Sciences and Disorders
--	--

EDUCATION

DEGREES	DISCIPLINE	INSTITUTION	YEAR
Ph.D.	Communication Sciences and Disorders	University of Memphis	2011
Au.D.	Audiology	University of Memphis	2007
B.S.	Communication Disorders	Auburn University	2003
Certificate of Clinical Competence in Audiology	Audiology	American Speech-Language-Hearing Association	2011- present
State Licence in Audiology	Audiology	State of Tennessee Health Related Board	2011- present
ABA Certificate Holder - Audiology Preceptor	National Registry of Audiology Preceptors	American Board of Audiology	2017- present

EXPERIENCE

RANK/POSITION	DEPARTMENT/DIVISION	INSTITUTION/COMPANY/ORGANIZATION	PERIOD
Assistant Professor of Audiology	Communication Sciences and Disorders	University of Memphis	2016- present
Research Assistant Professor of Audiology	Communication Sciences and Disorders	University of Memphis	2011- 2016
Research Audiologist	Hearing Aid Research Laboratory	University of Memphis	2007- 2011
Clinical Instructor of Audiology	Memphis Speech and Hearing Center	University of Memphis	2011

HONORS/AWARDS

HONOR/AWARD	INSTITUTION/COMPANY/ORGANIZATION	YEAR
Nominated as co-recipient of 2016 Editor's Choice Award for best publication	Ear and Hearing, American Auditory Society	2016

TEACHING EXPERIENCE

SUBJECT	INSTITUTION
Introduction to Hearing Aids	University of Memphis
Psychosocial Adjustment to the Effects of Hearing Loss	University of Memphis
Adult Audiologic Rehabilitation and Aging	University of Memphis
Evidence Based Practice in the Provision of Amplification	University of Memphis
Multicultural Issues in Audiology	University of Memphis
Aging, Cognition, and Hearing Aid Use	University of Memphis
Research project in Audiology	University of Memphis

Books Published

Johnson, J. (2018). Hearing Aid Fitting. In Ball, M. & Domico, J. (Eds.) The SAGE Encyclopedia of Communication Sciences and Disorders. Sage: Thousand Oaks, CA. (invited)

Johnson, J. (2018). Hearing Aids. In Ball, M. & Domico, J. (Eds.) The SAGE Encyclopedia of Communication Sciences and Disorders. Sage: Thousand Oaks, CA. (invited)

Refereed Journal Publications

Johnson, J., Xu, J., & Cox, R. (2017). Response to Letter to the Editor: Re: Johnson, J., Xu, J., & Cox, R. (2017). Impact of hearing aid technology on outcomes in daily life, III: Localization in quiet and in noise. *Ear & Hearing*, epub. doi: 10.1097/AUD.0000000000000539.

Johnson, J., Xu, J., & Cox, R. (2017). Impact of hearing aid technology on outcomes in daily life, III: Localization in quiet and in noise. *Ear & Hearing*, 38(6), 746-759. doi: 10.1097/AUD.0000000000000473

- Johnson, J., Cox, R. & Alexander, G. (2010). Development of APHAB norms for WDRC hearing aids and comparison to the original norms. *Ear & Hearing*, 31(1), 47-55.

Non-Refereed Publications

Johnson, J. (2017). Over-the-counter hearing aids as part of best audiologic practices. *ENT & Audiology News*. (invited)

- Johnson, J., Xu, J., & Cox, R. (2015). Choosing hearing aid technology for older adults: examination of user outcomes. *Audiology Now: The newsletter of Audiology Australia Ltd.*, 61,10-13. (invited)

Presentations - Conference (refereed *)

Johnson, J. Over-the-counter hearing aids: Legislation and clinical considerations. Presented at the 48th Annual Mid-South Conference on Communication Disorders, Memphis, TN, February, 2018.

Johnson, J. What you need to know about OTC hearing aids. Presented to the legislative committee at the Tennessee Academy of Audiology meeting, Knoxville, TN, November, 2017.

Acosta, G., Hinson, M., & Johnson, J. Automatic vs. manual programs: Considering patient factors in hearing aid selection and fitting. Presented at the Tennessee Academy of Audiology and Speech Language Pathology, Knoxville, TN, November, 2017.

Johnson, J. Premium or basic hearing aids: Evidence-based recommendations for older adults. Presented at the 46th Annual Mid-South Conference on Communication Disorders, Memphis, TN, February, 2016.

Johnson, J. The effect of aging on benefit from basic and premium hearing aid technology. Presented at the 22nd Annual Appalachian Spring Conference, Mountain Home, TN, June, 2015.

Johnson, J. Dead regions of the cochlea. Presented at the Georgia Academy of Audiology's 2012 Fall Workshop, Chateau Élan, GA, October, 2012.

Johnson, J. Influence of culture on appraisal of acquired hearing loss. Presented at the Academy of Rehabilitative Audiology's 2012 Institute, Providence, RI, September, 2012.

Johnson, J. Qualitative research in Audiology: What our patients can tell us. Invited presenter at the 42nd Annual Mid-South Conference on Communication Disorders, Memphis, TN, February, 2012.

Johnson, J. Using constructivist grounded theory to explore perceptions of hearing health and hearing health care among culturally-diverse adults. Presented at the Tennessee Board of Regents Faculty Research Development Symposium, Nashville, TN, March, 2011.

Shaughnessy, K., Johnson, J., & Xu, J. Conventional hearing aid wisdoms: facts or myths? Presented at the 41st Annual Mid-South Conference on Communication Disorders, Memphis, TN, February, 2011.

Presentations - Universities/Industry (refereed *)

Johnson, J. Impact of hearing aid technology on outcomes for older adults. Presented to the Federal Trade Commission at the workshop "Now Hear This: Competition, Innovation, and Consumer Protection Issues in Hearing Health Care", Washington, D.C., April, 2017.

Johnson, J. Choosing hearing aid technology for older adults: Are premium features better? Presented to the President's Council of Advisors on Science and Technology at the Accessible and Affordable Hearing Health Care for Adults Workshop, Washington, D.C., September, 2015.

Johnson, J. Acquired hearing impairment and help-seeking: What does culture have to do with it? Invited guest lecturer for the School of Communication Sciences and Disorders course, "Sociocultural Issues in Communication Disorders," Linda Jarmulowicz, Ph.D., University of Memphis, Memphis, TN, January, 2013, February, 2014, & January, 2015.

Johnson, J. Clinical Interviewing: Theoretical and practical considerations for use in a Communication Disorders clinic. Invited guest lecturer for the School of Communication Sciences and Disorders course, "Sociocultural Issues in Communication Disorders," Linda Jarmulowicz, Ph.D., University of Memphis, Memphis, TN, February, 2014.

Cox, R., Johnson, J., & Xu, J. Effectiveness of basic and premium feature hearing aids for older adults: Research development and progress. Presented at the Communication Sciences and Disorders Ph.D. colloquium, University of Memphis, Memphis, TN, March, 2012.

Johnson, J., & Xu, J. Choosing and implementing a research plan: Milestones and advice for CSD students. Presented at the Communication Sciences and Disorders Ph.D. colloquium, University of Memphis, Memphis, TN, September, 2011.

Johnson, J. Ethnographic interviewing: Application to clinic and research in the field of Communication Disorders. Invited guest lecturer for School of Communication Sciences and Disorders course titled "Sociocultural Issues in Communication Disorders," Linda Jarmulowicz, Ph.D., University of Memphis, Memphis, TN, July, 2011.

Johnson, J. Designing an effective scientific research poster. Invited guest lecturer for Women's and Gender Studies Professional Seminar, Wanda Rushing, Ph.D., University of Memphis, Memphis, TN, October, 2008.

Other Presentations (refereed *)

Sarangi, L.*, Johnson, J., & Xu, J. (2018). Reverberation and sound-source localization: a comparison of common testing environments. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2018.

Acosta, G.*, Hines, A.*, & Johnson, J. (2018). Does cognition affect potential benefits of audiologic intervention with OTCs? Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2018.

Johnson, J. & Xu, J. Multiple hearing aid programs in modern devices: Who utilizes them? Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2017.

Johnson, J. Patient variables affecting perceived outcomes with basic and premium hearing aid technologies. Presented at the Academy of Rehabilitative Audiology's 2016 Institute, Vancouver, Canada, October, 2016.

Johnson, J., Xu, J., & Cox, R. Does premium listening require premium hearing aids? Effectiveness of basic and premium hearing aids on speech understanding and listening effort outcomes. Presented at the 8th International Adult Aural Rehabilitation Conference, St Pete Beach, FL, June, 2015.

Xu, J., Johnson, J., & Cox, R. Effect of some basic and premium hearing aid technologies on non-speech sound acceptability. Refereed poster presented at 169th Meeting of the Acoustical Society of America, Pittsburgh, PA, May, 2015.

Johnson, J., Xu, J., & Cox, R. Speech understanding and hearing aid technologies: Are premium features better? Refereed paper presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2015.

- Johnson, J., Xu, J., Cox, R., & Pendergraft, P. Selecting between two listening effort measures for hearing aid testing. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2015.
- Xu, J., Johnson, J., Cox, R., & Breitbart, D. Laboratory comparisons of personal sound amplification products and hearing aids. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2015.
- Xu, J., Johnson, J., & Cox, R. Hearing aid technology effect on front/back localization in quiet. Refereed paper presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2015.
- Breitbart, D., Xu, J., Johnson, J., & Cox, R. Is there a preference between hearing aids and personal sound amplification products (PSAPs)? Presented at the Au.D. Student Research Colloquium, Memphis, TN, April, 2014.
- Johnson, J., & Cox, R. Is normal loudness the appropriate goal for hearing aid fitting? Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2013.
- Johnson, J., Xu, J., Schwartz, K., & Cox, R. Development of the Sound Acceptability Test. Presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2012.
- Johnson, J. What hearing loss means for people like me: Qualitative research on minorities in dominant group settings. Presented at the 2011 Meeting of the Southern Sociological Society, Jacksonville, FL, April, 2011.
- Johnson J. Influences of sociocultural factors on perceptions of hearing health care. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2011.
- Rushing, W., Johnson, J., & Levin, M. Being seen and heard: Race, gender and the consequences of vision and hearing impairment on psychological well-being. Presented at the 2009 Meeting of the Southern Sociological Society, New Orleans, LA, April, 2009.
- Johnson, J. & Cox, R. QuickSIN™ HFE and LP lists: learning effect, equivalence and sensitivity. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2009.
- Johnson, J. & Shaughnessy, K. Considerations when counseling diverse populations. Presented at the 39th Annual Mid-South Conference on Communication Disorders, Memphis, TN, February, 2009.
- Bhattacharya, K., McCullough, A., & Johnson, J. De/colonizing democratic digital learning environments: Carving a space for wiki-ology in qualitative inquiry. Presented at the Fourth International Congress of Qualitative Inquiry, University of Illinois at Urbana-Champaign, Urbana-Champaign, IL, May, 2008.
- Johnson, J., Cox, R. & Alexander, G. APHAB norms using WDRC hearing aids. Presented at the Audiology and Speech Pathology Ph.D. colloquium, University of Memphis, Memphis, TN, April, 2008.
- Johnson, J., Levin, M., & Rushing, W. Differential effect of hearing impairment on psychological well-being by gender and race/ethnicity. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2008.
- Alexander G., Cox, R., Rivera, I., Johnson, J., & Gardino, J. Prevalence of cochlear dead regions among adult hearing-impaired patients. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2007.
- Johnson, J., Cox, R. & Alexander, G. APHAB norms using WDRC hearing aids. Refereed poster presented at the Annual Meeting of the American Auditory Society, Scottsdale, AZ, March, 2005.

Academic Year (please indicate year)	Course #	Course Name	Credit Hours	Percent Taught	Enroll	Labratory Supervised(S)/Instructed(I)	New Preparation (Y)/(N)
2016	AUSP 8114	Introduction to Hearing Aids	3	100	13		Ye
2016	AUSP 8127	Adult Audiologic Rehabilitation and Aging	3	100	8		Ye
2016	AUSP 8128	Evidence Based Practice in the Provision of Amplification	3	100	4		Ye
2016	AUSP 8128	Evidence Based Practice in the Provision of Amplification	3	100	8		No
2017	AUSP 8129	Psychosocial Adjustment to the Effects of Hearing Loss	3	100	8		Ye
2017	AUSP 8114	Introduction to Hearing Aids	3	100	13		No
2017	AUSP 8121	Individual Project in Audiology	1	100	3		Ye

Appendix D

2017-2018; Childhood hearing loss detection and intervention systems: A qualitative exploration of African American and Caucasian parents' experiences and needs. Submitted to the American Academy of Audiology Foundation, Student Investigator Research Grant. PI: Megan Hinson, Co-PI and Faculty Mentor: Jani Johnson. Submitted: Not funded.

2017-2018; The impact of test environment on sound source localization performance for young adults with normal hearing. Submitted to the American Academy of Audiology Foundation, New Investigator Grant; PI; Submitted: Not funded.

Appendix E

Invited to present an educational seminar at a Le Bonheur Children's Hospital on pediatric hearing aid verification protocols and evidence-based practices.
