Appendix B

Additional Information on Advising/Mentoring

1987-2006: Served as the U of M Chapter Advisor for the National Student-Speech-Language-Hearing Association(NSSLHA). This group sponsors events for the student body to include "brown bag" meetings of professional topics, fundraising for student travel to conferences and donations to charities. Their largest project is the Annual Mid-South Conference on Communicative Disorders which is a conference for professionals from across the country. Duties as the advisor included weekly meetings with the NSSLHA Board and the members of the Mid-South Committee, conducting an annual working retreat for the Board, managing the registration software for the conference and guiding and educating the students through the process of putting on a large conference.

1988 to Present: Serve as the Clinical Practicum Advisor for all M.A. speech-language pathology students. Duties include consulting with students each semester about their clinical placements and their progress in the clinical education process, tracking their clinical competencies and if areas of deficiency are noted, coordinating a plan of action with their Academic Advisor.

1988 - 2014: Serve as the Director of Speech-Language Pathology Services which involves the supervision/advising/mentoring of nine clinical faculty members.

2014-Present: Serve as the Director of Speech-Language Pathology Services which involves the supervision/advising/mentoring of four clinical faculty members.
