Coordinator Guide
DUAL ENROLLMENT 2023-2024
This coordinator guide is for the high school based dual enrollment program. Students interested in taking a course at the University of Memphis (UofM) while still enrolled in high school must apply for Dual Enrollment Admission.

REQUIREMENTS FOR DUAL ENROLLMENT ADMISSION
Please screen students to ensure they meet these requirements.

- 19 composite score on the ACT*
  - 18 English sub-score for English Composition, ENGL 1010
  - 15 Math sub-score for Probability/Statistics, MATH 1530
  - 18 Math sub-score for College Algebra, MATH 1710

- 100 admissions index score: 30 times the high school GPA (based on a 4.0 scale) plus the composite ACT score. Example: High School GPA of a 2.85 X 30 = 85.5 + 19 = 104.5
  * For students who do not have test scores, the UofM will use a 3.0 GPA to meet admissions criteria for the 2023-2024 academic year.

ADMISSIONS PROCEDURES FOR DUAL ENROLLMENT
Students enrolled in the fall term do not need to complete another application for the spring term. Please include a notation on the rosters.

1. Rosters
   Please email class rosters to dualenrollment@memphis.edu on or before the due date.

2. Application
   Have students complete the online dual enrollment application: apply.memphis.edu/register/dual_enrollment_application

3. Submit Materials
   Transcripts can be submitted via secured shared drive or other method. Materials can also be packaged for pick up.
   
   A. Official Transcripts
      Students who have previously used the Dual Enrollment Grant at other college institutions must have an official copy of their transcript(s) sent to the Office of Admissions, at 101 Wilder Tower, Memphis, TN 38152, to be admitted and verify their continued grant eligibility.

   B. Test Scores
      ACT, SAT, PSAT, Pre-ACT or ASPIRE must be submitted with the high school transcript. If the official testing company sticker is on the high school transcript, it will be considered official. We will accept PSAT, Pre-ACT and ASPIRE scores for students who have not taken the ACT or SAT.

   C. Verification
      For students who are 18 years of age and older, provide a copy of their driver’s license or birth certificate to satisfy Tennessee EVEA requirements.

AFTER ENROLLMENT

1. Have a parent (or student if 18) sign the electronic Hepatitis B information form. We do not need shot records. memphis.edu/dualenrollment/hs_based/index.php

2. Have students apply for the Tennessee Lottery Dual Enrollment Grant online. Ensure that they direct their grant to the UofM and not the school they are planning to attend in the fall (if not the UofM.) tn.gov/collegepays/money-for-college/tn-education-lottery-programs/dual-enrollment-grant.html

A. Consortium Agreements
   Any student who takes courses from two different institutions during the same term must have a consortium agreement signed by the student and both schools.

B. Listing the “Home” School
   The college that the student lists on the grant application is the “Home” school and will receive the grant funds. The other school is the “Host” school and will receive funds from the “Home” School. The high school dual enrollment contact will need to inform both schools by the deadline and initiate the student’s portion on the home school’s form. Contact the “Home” School for the appropriate form.

C. GPA Requirement
   Students must maintain a college GPA of 2.0 or higher to maintain grant eligibility. Eligibility cannot be reinstated once lost. Please note that a C- will fall below the grant GPA requirement.

3. First time only
   Have students activate their student account at iam.memphis.edu using the code provided to them via email. If you need help contact the Help Desk at 901.678.8888 for assistance with student account activation.

4. Final Roster Verification
   Rosters must be verified by the due date. We will use the final rosters for billing and grant requests.

All forms can be found at memphis.edu/dualenrollment/hs_based/index.php

Important Tips

Plan Ahead
In order to provide better service to all schools, due dates are set throughout the year. Several schools will begin planning for the fall term when the results from the March ACT arrive. When possible, have students complete the application and submit their materials before summer break.

Collect Info
Students will need the following information to complete the UofM and grant applications: Name as it appears on your social security card, SSN, address, government ID (such as a Driver’s License Number), email address and date of birth.

Store Securely
Advise students to keep usernames and passwords handy. They will use them anytime they need to access myMemphis.

Textbook Information
Can be found on the course syllabus.

Enter information carefully
If the student’s name or SSN do not match on both the UofM application and the grant application, a copy of their Social Security Card will have to be submitted.
