New! The maximum number of courses has increased from 8-10 courses. Students who meet HOPE eligibility can utilize grant funds for up to 3 courses per term.

- A. *Institutional grants are available on the third and fourth courses if students have directed their first three TSAC Lottery Dual Enrollment grants to the UofM (students must be in their junior or senior year of high school for the TN lottery grant and the institutional grant). The institutional grant applies to the high school based dual enrollment program only.
- B. If students are eligible for the HOPE scholarship, they can obtain up to \$300 per course for courses 5 through 10 (deducted from their future college HOPE award).
- C. All state financial aid will be applied to the course cost before institutional grant funds are applied.
- D. The amount of the institutional grant listed above is a maximum amount after TSAC funds are applied.
- E. Other discounts do not apply to the high school based program as per our memorandum of understanding with each school/school system.
- F. To receive funding for more than one course in the same semester, a student must also meet the HOPE Scholarship requirements (3.0 cumulative high school GPA or a 21 composite score on the ACT).
- G. The above fees are based on the student receiving the lottery grant and directing the grant to the UofM.
