

Confined Spaces PERMIT

For additional assistance or to submit completed form, please contact:
Occupational Safety Coordinator
Environmental Health & Safety, 216 Browning
PH: 678-2740 FAX: 678-4673

This Confined Space Permit is required for any operation involving entering a space that has:

- Limited or restricted means of entry or exit;
- Is not designed for continuous occupancy; and/or
- Contains one or more of the following:
 - Ability to engulf or asphyxiate the entrant,
 - A potentially hazardous atmosphere, or
 - Other recognized serious safety or health hazards.

This permit should be completed before entering the Confined Space, maintained at the worksite for the entirety of the Confined Space work, and returned to the Environmental Health and Safety office following job completion.
