Fall 2022
Tuesdays 5:30-8:30 pm
Mark Mayer - mmayer@memphis.edu

A graduate-level workshop in fiction writing. Class sessions will be devoted primarily to reading and workshopping student work, with particular attention to story structure, emotional interrogation, character revelation, language, and the revision process. Students will be given freedom to pursue their own ongoing projects and where appropriate critiques will consider student stories and chapters in the context of book-length projects. We will also discuss published fiction, mostly short stories, representing a variety of narrative and sentimental strategies, as well as some works of craft and literary criticism.
