This course is a survey of American Literature to 1865. We will read a variety of texts, authors, and genres, and generate responses in the forms of discussions, papers, presentations, quizzes, and an exam. The readings and discussions will be based on three modules that will explore themes of contacts, accounts, and captivities, formation, reform, progress, and protest, and celebrations, constraints, and critique.

Requirements: Readings, Discussions in class and on discussion board, Quizzes, Two conferences, One paper, one presentation, one short answer exam.
