

### **ENGL 3607 - Fiction Writing**

Exploration of the creative process within the forms and traditions of fiction. Emphasis on the student's own work.

3.000 Credit hours

3.000 Lecture hours

**Levels:** Undergraduate

**Schedule Types:** [Lecture](#)

#### **Extended Course Description**

Students write and submit character sketches, stories, and other assignments for instructor feedback and class discussion. The goal is to aid the writer in the development and improvement of the work during the writing and revision processes. Examples of published fiction will be examined and discussed with attention to the techniques and materials used in fiction writing. Quizzes may be administered.
