### **Shakespeare for All**

Have you never read a Shakespeare play but want to? This class is for you! Have you read a lot of Shakespeare but want to know more? This class is for you too! This course will focus on some of Shakespeare's most beautiful and influential works — including the sonnets and plays including *Hamlet*, *King Lear*, *The Winter's Tale* and *The Tempest*. Also, we will be thinking about Shakespeare's place in modern culture, considering music, movies, memes, and more. If you have ever wanted to know more about the writer often considered the GOAT, this class is for you!
