Collective Memory in the Bluff City

English 4001: Senior Honors Seminar | MW 2:20-3:45

Instructor: Dr. Will Duffy (weduffy@memphis.edu)

In this seminar we will apply philosophical and hermeneutic techniques associated with collective memory studies to various readings and texts about the city of Memphis and its history. Students will complete a capstone multimodal project that re-members some as yet unmemorialized aspect of Memphis history or culture.
