**Course Description:** Experience in observing and teaching, peer teaching, and work with an English as a Second Language (ESL) specialist teaching in two stages. First, students will observe classes taught by ESL specialists in designated ESL programs in the Memphis/Shelby county area. Second, students will be given actual field experience in an ESL class working in a cooperative way with an assigned supervising teacher and taking some responsibility in preparing and teaching lessons or will complete requirements through supervised tutoring. Thirty (30) hours are required of all practicum students.

**Texts:** None
