

Dr. Stephen Tabachnick

ENGL 7473

Spring 2020

The purpose of this course is to familiarize students with the verbal and visual rhetoric of the exciting new genre known as the graphic (or comic book) novel; to analyze some outstanding international examples of this new form; and to share some ideas about how to teach graphic novels at the high school and undergraduate levels. We will also look at adaptations of a graphic novel into film and a poem into a graphic novel.
