

ENGL 7/8008_M50: Theory and Practice of Online Teaching

Course Description

This course explores the pedagogy of online teaching and prepares students for teaching in online environments. Students are required to complete the course to qualify for teaching online for the Department of English.

At the end of this course, students will be able to:

- Study and apply best practices for content structure, learning engagement, and application in online settings
- Explore and experiment with various technologies and tools to enhance online pedagogy and learner interaction
- Experiment with and learn about different assessment approaches for online learning, ranging from traditional to multimodal
- Develop a curriculum and broad course plan for subject matter of their choosing
