

# ENGL 7/8008\_M50: Theory and Practice of Online Teaching

Spring 2021 Dr. Liz Lane [etlane@memphis.edu](mailto:etlane@memphis.edu)

## Course Description

This course explores the pedagogy of online teaching and prepares students for teaching in online environments through studying contemporary online pedagogies.

### At the end of this course, students will be able to:

- Study and apply best practices for online course content structure, learning engagement, and application in online settings
- Explore and experiment with various technologies and tools to enhance online pedagogy and learner interaction
- Learn accessibility best practices for online learner content
- Experiment with and learn about different assessment approaches for online learning, ranging from traditional to multimodal
- Develop online course materials and course plan for subject matter of their choosing
