

ENGL 3220.001 – British Literature Since 1750

Prof. Rhonda Powers

MWF 10:20am - 11:15am

This survey course will address British literature from the Romantics to the Post-moderns and examine the quest for empire. The British Empire spanned the world and linked a quarter of world's population to Britain through a shared, official allegiance to the Crown. Thus, Britain has—through language, education, and culture—shaped globalization, and the world.
