

A detailed illustration of a knight in full plate armor riding a white horse. The knight is slaying a large, dark dragon with a long, curved horn. The scene is set in a forest with trees and a rocky landscape. The knight's horse is white with a blue and gold saddle. The dragon is dark and has a long, curved horn. The knight is holding a long spear or lance. The background shows a forest with trees and a rocky landscape.

ENGL 7/8211:

Medieval Literature

Tuesdays @ 5:30pm · Dr. Cristina Maria Cervone · Spring 2027

The readings and topics provide something of interest for students from all concentrations and all are welcome. Major assignments can be adapted in ways useful to other concentrations (particularly creative writing). Work on many of the fundamental critical questions can be readily applied to other subfields of English studies.
