

SOFTWARE OF OPERATIONAL AND ADMINISTRATIVE RESOLVE (SOAR)

Welcome to the SOAR Newsletter! DECEMBER 2025

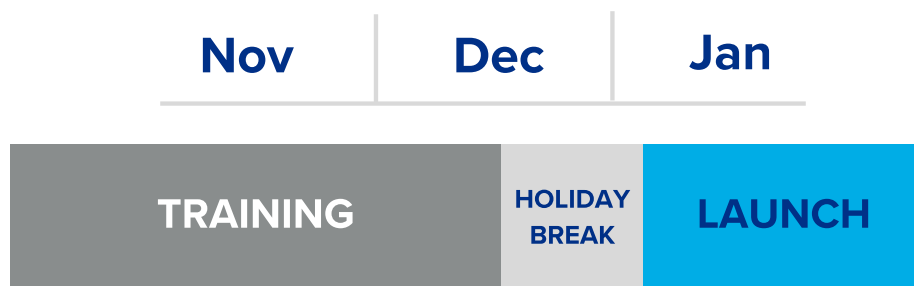

The launch of Oracle Cloud, Jan. 5, 2026, is just a few weeks away!

In this Edition | Access important cutover dates, get details on ongoing training before Go-Live on Jan. 5, 2026, and register for the final Town Hall of 2025 — Dec. 18.

Please continue to review available resources on the [SOAR Website](#), filter and sign up for training for your role and register for our upcoming Town Hall to ensure you and your team are as prepared as possible.

Your continued engagement is greatly appreciated
as we near this exciting transition.

TIMELINE

We are Here

*Go-Live | Jan. 5

As part of the University's transition to Oracle Cloud, launching **Jan. 5, 2026**, several critical deadlines and system blackout periods have been established to support **Cutover**: a period of migrating data from legacy systems into our new system, **Oracle Cloud**.

In addition to email communications, you can view important Cutover deadlines in two places on the SOAR Website:

CALENDAR VIEW

LIST VIEW

TRAINING

Oracle Cloud training will continue to be available into the new year following the launch of the system. Register for upcoming trainings and review recordings of previous sessions to ensure you are ready for **Go-Live, Jan. 5, 2026**.

How to Access

To view training courses and register, visit the [Training webpage on the SOAR website](#). Each course and registration information is available on this site.

Starting in 2026, training will be available in one central platform: Oracle Learn.

[Filter by persona](#), or role, to determine which courses you should select based on your role to be prepared for our transition to Oracle Cloud.

FAQs

How will I access Oracle Cloud?

Following Go-Live, **Jan. 5, 2026**, Oracle Cloud will be accessible through the MyMemphis portal. Certain Oracle Cloud features will be automatically integrated with existing systems.

Will there be in-system support?

Yes! **Oracle Guided Learning (OGL)** is a tool built into the system that provides helpful tips and support throughout the user experience.

December Town Hall

Dec. 18 | 2:30 PM

In the final Town Hall of 2025, get updates from workstream leads regarding progress on cutover activities, key go-live milestones and last-minute training opportunities.

Register now to learn what to expect on Go-Live, support channels and ask questions.

A recording will be available on the SOAR Website following the event.
