*President's Council Update*

President Marchetta reported that previous guidance from Human Resources (HR) on American Disabilities Act (ADA) included incomplete/inaccurate forms that didn't address COVID-19 issues. Accurate information should be released later today. Parliamentarian Mark Sunderman

commented that this isn't our first issue with HR. He referenced the recent communication on employee buyouts. He asked, What can be done to make sure the HR department doesn't continually create more messes? Who is overseeing HR? President Marchetta answered that he expressed this with University of Memphis President M. David Rudd last year. HR works under the Chief Financial Officer, Raaj Kurapati. He agrees with the problem and has brought up communication issues from HR with Provost Tom Nenon and President Rudd. He'll continue to point out instances of poor communication from HR. He suggested for others to reach out to Raaj with any issues.

President Marchetta reported that the decision and guidance related to facilities and a return to campus in a hybrid way will be released on Thursday. Masks, HVAC, and other issues will be included.

President Marchetta reported that Ecourseware will open to students on August 3. President-Elect Dapremont requested that President Marchetta push administration to assign courses to faculty as soon as possible. Parliamentarian Sunderman asked about faculty who don't know which classroom they will teach in as well as student restrictions. President Marchetta responded that those details should be known by next week.

#### *Budget Reductions Update*

President Marchetta reported that during the deans meeting, Provost Nenon is communicating expectations for budget reductions across all administrative units. He is asking them to reduce by 4%. Colleges being asked to reduce base budgets by 3.5%. The task force will look at where additional cuts could be made. There may be cuts in some tenure track lines, targeting open positions. Those positions would not necessarily be recovered in the near future. Senator Pat Travis asked about underperforming units. President Marchetta responded that those might be targeted for larger cuts. President Marchetta reported that proposals for cuts are due from deans by August 3. President-Elect Dapremont asked whether there could be additional cuts based on enrollments. President Marchetta responded that those cuts could go deeper if current forecasts are higher than actual enrollment.

President Marchetta asked Faculty Trustee David Kemme whether or not President Rudd mentioned athletics budget cuts. Trustee Kemme replied that he seemed to remember it was 12%. He added that it depends on which games will be cancelled, especially out of conference games. Trustee Kemme added that he will ask the Provost to specify certain levels of cuts in administrative budgets.

President Marchetta reported that the University subsidizes athletics by about \$9.5M from the Educational & General (E&G) budget and will probably have to increase that by \$6M this year.

#### *Senate Office Move*

President Marchetta reported that much of the Senate office has been moved to the new room on the third floor of the administration building (382). The office has new carpet after receiving Presidential approval. Currently, the walls are being painted. New computers for are expected

for the administrative assistant and graduate assistant. Much of the historical paperwork has been scanned and paper copies reduced.

##### *Summer Dean's Meetings*

President Marchetta reported that University President Rudd set the date for the Q&A with faculty and will get back to us on it. He expects it to happen on 7/30. Parliamentarian Sunderman requested that President Marchetta request that President Rudd hold his Q&A earlier than 7/30. President Marchetta responded that he consistently requests earlier release of information.

##### *Format Changes to Full Senate Meetings*

President Marchetta asked the EC whether or not all Senate meetings should be via Zoom. The EC agreed that Zoom meetings would be best, given the conditions related to COVID-19. He also wants to revisit rules for Faculty Senate (FS) meetings in the next EC meeting. He asked if EC members wanted to be part of meetings with committee chairs on charges.
