The University of Memphis Evaluations by Faculty

Loewenberg College of Nursing

February 2021

Introduction

Three parallel instruments were developed, modified and approved by the Faculty Senate to collect current faculty perceptions of the President, Provost, and Deans. The surveys were administered online in January and February 2021 for three weeks by the Center for Research in Educational Policy (CREP) using the Qualtrics XM survey platform. Data are securely stored and accessible only through CREP.

Each survey consists of 26 items that are scored using Likert-type ratings [strong disagreement (1), to strong agreement (5), to no evidence on which to base an opinion (0)]. Instruments were based on the following seven constructs, or dimensions of leadership in higher education derived from current literature:

- ***Vision and Goal Setting***: Development of goals and strategies to move the unit forward
- ***Leadership***: Creation, management and support of a cohesive, effective unit
- ***Responsiveness***: Listening and responding to constituents' opinions, needs and concerns
- ***Communication***: Ongoing and clear communication within the unit and with the greater community
- ***Management***: Responsible and efficient use of fiscal and other resources
- ***Equity***: Fair treatment in the application of policies and procedures
- ***Trustworthiness***: Reliability and dependability

Following the 26 survey items, additional items solicit demographic information including current position (full professor, associate professor, assistant professor, clinical professor, or adjunct professor); faculty status (tenured, tenure-track, or non-tenure-track); time at the University of Memphis, and gender. Space was also provided for additional comments.
