Register for Full Section - SUBJECT TO ENROLLMENT CAPACITY (signatures do not guarantee admission)

The Registrar's Office has put a new waitlisting policy in place as part of Spring 2022 registration. Students who are interested in a full section can add themselves to a list and they will receive an email if a space becomes available. Students can add and remove themselves from waitlists at the same place where they register and make schedule changes in the myMemphis portal. Waitlisting will eliminate the need for students to repeatedly check the status of a course section to determine if there are any open spaces.

Learn more about waitlisting at <https://www.memphis.edu/registrar/students/selfserv/waitlisting.php>.

Students who have questions with the waitlisting process once registration opens can submit a Tiger Help ticket to the Registrar's Office at <http://www.memphis.edu/tigerhelp>.
