

Fogelman College of Business and Economics
Honors Program

Students who complete 18 hours (at least 12 hours of these must be at the upper division level) of business honors courses with an acceptable Senior Honors Experience and a minimum 3.25 grade point average in all courses taken in The Fogelman College of Business and Economics, and in all Honors courses taken in this college, with a minimum overall grade point average of 3.00 will have earned the designation of "With Honors in Business" which will appear on the transcript and diploma.

To complete the Senior Honors Experience, a student may choose to write an honors thesis or complete two activities from the experience options. See Dr. Tankersley or Mary Johnson for more information on the thesis requirement.

Experience (choose two of the following)

Study Abroad – for a study abroad experience to count as partial fulfillment of the Senior Honors experience, a student must:

- Obtain prior approval from the Honors Advisory Council by describing what the experience will entail;
- Keep a blog and photo commentary while abroad;
- Submit a written report to the Honors Advisory Council upon completion of the experience;
- Make a presentation to the Honors Student Group and at least one member of the Honors Advisory Council

Internship – for an internship to count as partial fulfillment of the Senior Honors experience, a student must:

- Work in consultation with the department chair to make sure the internship carries significant responsibilities;
- Submit a portfolio to the department chair upon completion of the internship, which includes a paper detailing specific duties; examples of work completed; an analysis that includes specific connections between the internship and classroom work;
- Make a presentation of the internship experience to the Honors Student Group and at least one member of the Honors Advisory Council

Research paper - for a research paper to count as partial fulfillment of the Senior Honors experience, a student must:

- Obtain agreement from a faculty member to direct the project;
- Submit the final research paper for consideration for the Undergraduate Research Forum;
- Present the research to the Honors Student Group and at least one member of the Honors Advisory Council

MILE Program – for the MILE Program to count as partial fulfillment of the Senior Honors experience, a student must:

- Be an active member of the MILE Program for a minimum of one year;
- Submit a written report to the Honors Advisory Council upon completion of the experience;
- Make a presentation to the Honors Student Group and at least one member of the Honors Advisory Council

Complete Professional Program – for the Complete Professional Program to count as partial fulfillment of the Senior Honors experience, a student must:

- Complete four initiatives
- Submit a written report to the Honors Advisory Council upon completion of the experience;
- Make a presentation to the Honors Student Group and at least one member of the Honors Advisory Council

FCBE Student Delegate Board – for the FCBE Student Delegate Board to count as partial fulfillment of the Senior Honors experience, a student must:

- Be an active member of the FCBE Student Delegate Board for a minimum of one year;
- Submit a written report to the Honors Advisory Council upon completion of the experience;
- Make a presentation to the Honors Student Group and at least one member of the Honors Advisory Council
