ANNUAL INVENTORY CONFIRMATIONS

Darya Maksimtsova
Policy & Statute Requirements

• Annual Inventory Confirmation is a required procedure: BF4025 Policy

• Beginning in late February to early March, the Property Accountant will send Inventory Reports of capital equipment only by Organization to Equipment Reps and Financial Managers.

• Maintaining accurate and up-to-date records of your department’s equipment inventory is essential to ensuring proper accountability by the University as a whole.

• Inventory Confirmations are reviewed by State and Internal Auditors as part of their normal audit procedures.
Fixed Assets Categories

• “Capital Equipment” is a single item costing $5,000 or more.

• “Sensitive Minor Equipment” has a cost more than $1,500 and less than $5,000, and is particularly vulnerable to theft. Equipment in this category must be tagged. (Examples of items that may be viewed as sensitive minor equipment include cameras, computers, audio and video equipment, microscopes, oscilloscopes, and other scientific equipment.)

• “Controlled Equipment under $1,500” is also considered vulnerable to theft and has been tagged—at the department’s discretion.
A report of all 3 equipment categories may be obtained from Banner ePrint – Banner Finance Repository – FYFR001-Fixed Asset Inventory Listing.

Per policy, “departments should take every precaution to safeguard ALL state property, regardless of cost”. Therefore, we strongly recommend and encourage responsible parties to inventory and confirm “Sensitive Minor Equipment” and “Controlled Equipment under $1,500” when confirming “Capital Equipment”. Confirmation of non-capital equipment should be maintained internally by the department. Confirmation of capital equipment should be completed and submitted to Accounting.
**Annual Inventory Confirmation Process**

1. Print a copy of the Confirmation and read instructions carefully.
2. Physically confirm the location of all equipment listed in the report.
3. If information (asset description, make, model, serial number, etc) is missing or incorrect, update it on the confirmation report, preferably using a red pen or font. Any indicated changes of this nature will be updated in Banner by the Property Accountant.
4. If Location is missing or incorrect, initiate the appropriate Fixed Asset Workflow to correct it. (indicate WF on confirmation).
5. If Location is “Off Campus”, confirm that an [Off-Campus Use/Return of University Equipment form](#) has been completed and submitted to the Property Accountant.
6. If the equipment has been transferred to another Organization, initiate the appropriate Fixed Asset Workflow to process the transfer (indicate WF on confirmation).
7. If needed, zero value assets through Fixed Asset Workflow (indicate WF on confirmation).
Annual Inventory Confirmation Process

8. To add **capital** equipment, complete the Items in Department Not on Inventory form and send with completed inventory confirmation.

9. Ensure you have a [Off-Campus Use/Return of University Equipment](#) completed for all Off-Campus items (112688 and 112687).

10. You must complete a [Report of Lost or Stolen Property Form](#) and file it with Police Services for all missing/lost/stolen items and ITS if the item is an electronic device. Also, send a copy of the form to the Property Accountant.

11. Upon completion of confirmation of all equipment on the report, forward a copy of the signed confirmation report to Financial Reporting by March 31, 2023.

QUESTIONS?
PART-TIME FACULTY PROCESS REMINDERS

Danny Linton & Sheila Mathis
Hiring Part-Time Faculty

• The new 2023-24 PTF postings will go live March 1, 2023. E-mails asking for any changes from last year’s posting have already gone out to departments. These postings stay live until January 31, 2024.

• Anyone who has taught for your department within the last two (2) calendar years does NOT need to apply.

• Retiring full-time faculty who are coming back to work as part-time faculty DO need to apply in the part-time pool.
Hiring Part-Time Faculty

• Remember that when hiring someone from these pools, these steps should be followed:
  • Keep the selected candidate coded as “Under Review by Department”
  • Pick a selection reason of ‘Offered Position’
  • You must code each applicant that has applied up to that point.
  • These will be also at “Under Review by Department” and determine if candidates are “employable” or “non-employable.”

• PTF Guidelines:
  https://umwa.memphis.edu/econtract/pdf/ptf_appointment_guidelines.pdf
Hiring Part-Time Faculty

• E-mail Faculty Administrative Services (facultyservices@memphis.edu) after you have coded the candidate application ‘Offered Position.’ Copy and paste from the application into an e-mail the following information:
  • Full Name
  • E-Mail Address
  • WorkforUM Posting Number

• Part-time faculty are hired via e-contract.

• Faculty Services will establish a Banner ID (U#) and memphis.edu account for the new PTF and notify you. Wait to hear back before attempting to begin an e-contract. A background check must be successfully completed prior to making an offer.

• The current minimum salary for a PTF member is $798 per credit hour. Some colleges/departments pay higher than the minimum.

• New Bereavement Notification form
• memphis.edu/bereavement
• If you have an F9 faculty member serving in an interim role as a Dean, Associate Dean, or Assistant Dean, these employees DO NOT accrue annual leave and therefore should not be taking or reporting any.

• F9s serving in interim roles are still F9s, and the only change for interim work is an increased salary, not leave.
• Under most circumstances, only regular, full-time employees should originate e-contracts.

• Should your department have a need to have temporary employees or graduate assistants originate e-contracts, these individuals need to have attended the respective e-contract training (available in Learning Curve).
• The Business & Finance Web server will be decommissioned this summer. This will affect the following:
  • Learning Curve
  • Finance Program Guide
  • HR Program Guide
  • Various B&F Web forms

• The above web apps & forms will be moved to new locations and redirects will be put in place. Some may look different after moving.

• This refers to any URL starting with bf.memphis.edu.
Records inventory certifications are due by May 31 and training is available in Learning Curve. The next training date is March 7 at 2:30pm.
• The 6th Annual Excellence Awards Ceremony
  April 6, 2023
  9am, University Center Ballroom
Separation & Clearance

• Please remember to immediately complete an online separation notice for any employee in your area that is departing the University!

• Not doing so places the University at risk because the employee would still have system access and could lead to an audit finding.

• Keep in mind it is HR’s practice to process clearances closer to the date of separation so that leave balances can be accurately calculated for payouts.
