2022 Plan Document and Dependent Eligibility

• Amendments were made to the 2022 Plan Documents, section 1.11, as it relates to the eligibility of dependents. The purpose of this amendment is to clearly define eligibility for dependents other than spouses and children of employees which was approved by the committees on October 21 and goes into effect on January 1, 2022.
Specifically, the 2022 Plan Document includes changes around court orders for dependents who are younger than age 18 and those who are 18 and older.

  - (D) A person under age 26 who is placed with the Head of Contract by a valid order of guardianship, custody, or conservatorship (or legally equivalent order) by a court of competent jurisdiction ("placement order").

- (1) The HOC must provide certification upon enrollment and upon request that: (a) the placement order is in effect and has not expired by subsequent court order or by operation of law, and (b) the HOC shall immediately notify Benefits Administration when the placement order terminates or expires.

- (2) If a placement order terminates or expires due to the person attaining the legal age of majority, the person may remain an eligible dependent until age 26 if the HOC certifies that the following requirements in (a), (b) and (c) are met:
  - a. The HOC and the person have a relationship as set forth in 26 U.S.C. §125(d)(2), which includes the following relationships:
    - i. The person is a descendant of a son/daughter, stepson/stepdaughter of the HOC;
    - ii. The person is a brother/sister, half-brother/half-sister, stepbrother/stepsister, son/daughter-in-law, brother/sister-in-law, or niece/nephew of the HOC; or
    - iii. The person has the same principal place of abode as the HOC and is a member of the HOC's household; and
  - b. The HOC provides over one-half of the person's financial support for the calendar year in which the HOC's taxable year begins; and
  - c. The person is a U.S. citizen, a U.S. national, or a resident of the U.S., Mexico, or Canada.

- (3) Additional documents and certifications may be requested to establish that the person is an eligible dependent.
