

Late Stage Doctoral One Credit Enrollment

Passing your comprehensive exams makes you a late-stage doctoral student at the UofM where one credit hour may be considered full-time enrollment, depending on departmental requirements. By signing this form, you are certifying that you will be working at least part-time on your dissertation for the next four semesters (excluding summers). If this situation changes you will notify the Graduate School. Working less than part-time may result in federal financial aid implications. After four semesters, this agreement must be reevaluated. Please contact the Graduate School at that time.
