Charges from the Health Center

All fees are transferred to the patient's account at USBS on the day services are provided.

Payment is made through TigerXpress or in-person at the USBS office.

** During the Summer Session, students who attended in the spring term and are not taking summer courses will pay a \$25 access fee to be seen at the Health Center.

*** While there is no cost for the COVID-19 test for student, if a student who does not enroll in the summer needs COVID-19 test, the access fee of \$25 still applies to this visit."
