Permission to Treat

Permission is hereby granted to the Student Health Services healthcare providers and staff to proceed with any needed emergency and/or non-emergency treatment, examinations, immunizations and medical tests should medical or surgical attention be necessary while the student is enrolled at the University of Memphis. I understand that under certain circumstances, transportation to an area hospital for diagnosis, treatment and possible hospital admission may be necessary. I also understand that the expenses incurred for medical care beyond that which is provided within Student Health Services are my responsibility.

In addition, if the student is a Minor, in the event of serious illness or significant accidental injury, an attempt will be made by Student Health Services staff to contact a parent or legal guardian in the most expeditious manner possible. If said staff is unable to communicate with a parent or legal guardian, medically necessary treatment which is in the best interests of the Minor as determined by medical professionals may be given. I (parent or legal guardian) further give Student Health Services staff permission to contact my son's/daughter's primary healthcare provider regarding past medical and medication history, if necessary.
